

Admissions Policy – Primary
2023 - 2024

Approved by Local Governing Body on 10th February, 2022

Admissions Policy – Primary 2023- 2024

Empower Trust schools are academies and therefore an admission authority which allows the Trust Board and governing bodies to determine our own school admissions policy.

Please refer to the individual Admissions Policy on the school website for further clarification.

Admissions to Nursery

Greenacres has 48 part-time places in our Early Years Learning Environment. The Early Years is overseen by the Early Years Teachers. Children can enter the Early Years Learning Environment in the term of their third birthday. If there are more children requiring places than are available, then the criteria as outlined below are applied. It is possible that Government or Local policies may have the effect of reducing this number or altering the age range we can take. You will be given ample warning if this is the case. (See the Early Years prospectus for further details).

Admissions to Reception Year

For admissions to Reception Year application must be made through Shropshire Council by 15th January in the academic year prior to which your child is due to start school. All applications received by this date will be considered and parents will be informed by Shropshire Council on 16th April if they have been allocated a place for their child.

Please see the Parents Guide to Education booklet on the website www.shropshire.gov.uk/schooladmissions for further details of the admission arrangements.

Admissions Criteria

Children with a Statement of Special Educational Needs or Education and Health Care Plan which names the Trust school will be allocated places, after which places are allocated up to the Published Admission Number of the Trust school according to an agreed set of criteria in strict order of priority as shown below.

Empower Trust Primary Schools criteria:

- 1a. Looked after children and children who were previously looked after but immediately after being looked after became subject to adoption, a child arrangements order, or special guardianship order.¹
- 1b. Children who appear [to the admission authority of the school] to have been in state care outside of England and ceased to be in state care as a result of being adopted.²

¹ A looked after child is a child who is in the care of a local authority in England, or is being provided with accommodation by a local authority in England in the exercise of their social services functions.

²A child is regarded as having been in a state care in a place outside of England if they were accommodated by a public authority, a religious organisation or any other provider of care whose sole purpose is to benefit society

2. Children living inside the designated catchment area will have priority of admission. If there are not enough places for all the children in the catchment area, then the following criteria for admission will apply in order:
 - 2a. Priority will be given to children living within the catchment area who will have an older sibling at the school on the day they are due to start school.
 - 2b. After that, priority will be given to other children who live within the catchment area.
3. Children of members of staff employed by the School on a permanent contract at the school for two or more years at the time when the application for admission to the school is made.
4. If there are spaces still available after the above criteria have been applied, children living outside the designated catchment area will be offered places according to the following criteria:
 - 3a. Children who will have an older sibling at the school on the day they are due to start school.
 - 3b All other children. Each category will be rank ordered according to the distance from home to school as a straight-line measurement.

For admissions purposes all distances are measured as a straight-line distance on a computerised mapping system between the home address and the nearest entrance gate of the relevant school by pinpointing their eastings and northings. The shortest distance being given highest priority. Where two addresses are within the same block of flats, the lowest number of flat nearest the ground floor will be deemed to be the nearest in distance.

In the event that two applications are exactly the same after all other criteria have been considered a tie breaker will be used. This will be by random allocation and overseen by an independent party not connected with the admissions process.

If unsuccessful on allocation day, Shropshire Council will offer a review when the waiting list will be formed from those parents who advise the Admissions Team that they wish to pursue a place at the school. At the end of the review period, parents who have still not been successful in securing a place have the right to appeal against the decision. Parents may remain on the waiting list from the review period onwards.

For the first term of Reception year, Shropshire Council will continue to maintain a waiting list for unsuccessful applicants. If any vacancies arise, places will be offered to applicants on the waiting list in strict accordance with normal published oversubscription criteria.

Mid-term or In-Year applications

Mid-term applications will be dealt with using the same admissions criteria given above.

To apply for a place other than the start of Reception parents should apply directly to the school on a mid-term application form available the Shropshire Council website www.shropshire.gov.uk/schooladmissions or from school.

If there is a space in the relevant year group a place will be granted. If the application is for a place in an over-subscribed year group, then the Headteacher will consider whether additional places can be offered above the published admission number in consultation with the Local Governing Body.

If a place cannot be offered, parents will receive a formal letter and information on how to appeal against the decision from Shropshire Council Admissions Team.

Other than the first term of Reception year, the school will maintain a waiting list for unsuccessful applicants. If any vacancies arise, places will be offered to applicants included on the waiting list in strict accordance with normal published oversubscription criteria.

If a place can be offered the applicant will be expected to take up the place within 6 school weeks or by the start of the next half term, whichever is the earliest date, with the exception of Reception children who have deferred entry until later in the same academic year. If an offer of a place is refused, the name will be removed from the waiting list.

At the end of the first term of the academic year of admission, the waiting list will transfer from Shropshire Council to the school.

Applicants will only be considered as resident in area when formal confirmation (e.g. signed tenancy agreement when no property is owned, or exchange of contracts) of the address has been received.

All applicants are required to give correct information about the genuine residential address of the child. Where any information regarding a home address is found to be fraudulent or misleading a school place may be withdrawn even if the child has been admitted to the school.

Applications for children to attend out of cohort

Parents have the right to defer until reaching statutory school age, to request part-time attendance and, in the case of summer born children, the option to request their child starts Reception a year later, a year behind their natural cohort. Parents must make a request to defer Reception to another academic year at the same time as they make application, and before the closing date of 15 January.
