Introduction

For admissions Year 7 applications must be made through Shropshire Council by the closing date (31st October) in the academic year prior to which your child is due to start school. All applications received by this date will be considered and parents will be informed by Shropshire Council on National Offer Day (01st March), or next working day, if they have been allocated a place for their child. Please see the Parents Guide to Education booklet on the website www.shropshire.gov.uk/schooladmissions and also the school website for details of the admission arrangements.

Admissions Criteria for Church Stretton School:

Children with a Statement of Special Educational Needs or Education and Health Care Plan which names Church Stretton School will be allocated places, after which places are allocated up to the Published Admission Number of 96, according to an agreed set of criteria in strict order of priority as shown below.

1. 'Looked after children' or children who were previously 'looked after' but immediately after being looked after became subject to an adoption, child arrangements, or special guardianship order* including those who appear [to the admission authority - Shropshire Council] to have been in state care outside of England and ceased to be in state care as a result of being adopted.
2. Children living inside the designated catchment (see attached map) will have priority of admission.

Our feeder link primary schools are:

- St Lawrence Primary School, Church Stretton
- Conover Primary School
- St. Edwards School, Dorrington
- Longnor Primary School
- Rushbury Primary School
- Wistanstow Primary School

NOTE: The Craven Arms catchment area identified on the map at the end of this document indicates a shared catchment, whereby Local Authority transport is provided should parents living within choose to send their child to Church Stretton School.

If there are not enough places for all the children in the catchment area then the following criteria for admission will apply in order:

- 2a. Priority will be given to children living within the catchment area who will have an older sibling at the school on the day they are due to start school.
 - 2b. After that, priority will be given to other children who live within the catchment area.
3. If there are spaces still available after the above criteria have been applied, children living outside the designated catchment area will be offered places according to the following criteria:
- 3a. Children who will have an older sibling at the school on the day they are due to start school.

- 3b. Children who have for one year prior to transfer attended a state-funded primary school which lies within the catchment area of Church Stretton School
- 3c. All other children.

Each category will be rank ordered according to the distance from home to school as a straight line measurement.

Notes

A sibling connection is defined as a brother or sister, step-brother or stepsister, half-brother or half-sister, living at the same address as part of the same family unit and of compulsory school age (i.e. 5 – 16 years). Adopted siblings are also included. Older siblings must be attending the school on the date the younger sibling is due to start there. However, cousins or other relatives who take up residence in a home in order to establish an 'in catchment area' address will not be given priority under the sibling criterion.

For admissions purposes all distances are measured as a straight line distance on a computerised mapping system between the home address and the nearest entrance gate of the relevant school by pinpointing their eastings and northings. The shortest distance being given highest priority. Where two addresses are within the same block of flats, the lowest number of flat nearest the ground floor will be deemed to be the nearest in distance.

Allocation of places for children moving into Shropshire Council's area can only be considered when formal confirmation (e.g. signed tenancy agreement when no property is owned, or exchange of contracts) of the address has been received.

All applicants are required to give correct information about the genuine residential address of the child. Where any information regarding a home address is found to be fraudulent or misleading a school place may be withdrawn even if the child has been admitted to the school.

In the event that two applications are exactly the same after all other criteria have been taken into account a tie breaker will be used. This will be by random allocation and overseen by an independent party not connected with the admissions process.

If unsuccessful on allocation day, Shropshire Council will offer a review when the waiting list will be formed from those parents who advise the Admissions Team that they wish to pursue a place at the school. At the end of the review period, parents who have still not been successful in securing a place have the right to appeal against the decision. Parents may remain on the waiting list from the review period onwards.

For the first term of Year 7, Shropshire Council will continue to maintain a waiting list for unsuccessful applicants. If any vacancies arise, places will be offered to applicants on the waiting list in strict accordance with normal published oversubscription criteria.

Mid-term or In-Year applications

Mid-term applications will be dealt with using the same admissions criteria given above. To apply for a place other than the start of Year 7, parents should contact the school to arrange for an appointment to visit the school. Application for a school place should be made directly to the school on a midterm application form available from school or from the Shropshire Council website www.shropshire.gov.uk/schooladmissions. If there is a space in the relevant year group a place will be granted. If the application is for a place in an over-subscribed year group then the Headteacher will meet with a governor to apply the oversubscription criteria and to consider whether additional places can be offered above the published admission number.

If a place cannot be offered, parents will receive a formal letter and information on how to appeal against the decision from Shropshire Council Admissions Team.

Other than the first term of Year 7, the school will maintain a waiting list for unsuccessful applicants. If any vacancies arise, places will be offered to applicants included on the waiting list in strict accordance with normal published oversubscription criteria. If a place can be offered the applicant will be expected to take up the place within 6 school weeks or by the start of the next half term, whichever is the earliest date. If an offer of a place is refused, the name will be removed from the waiting list. At the end of the first term of the academic year of admission, the waiting list will transfer from Shropshire Council to the school.

Application for a Place out of Cohort

Very occasionally, we may offer a place to a pupil one year ahead or behind their normal year group. This may be in response to a parental request where it is the opinion of the school that it is in the best interests of the child.

Appeals

Any applicant refused a place at Church Stretton School, has a right of appeal to an independent appeal panel in accordance with the School Admission Appeals Code. As the school is an admission authority you should contact the Chair of the LGB to lodge your admission appeal if you are refused admission. The school will provide the information you need.

The school has to ensure that the independent appeal panel is trained to act in accordance with all relevant provisions of the School Admission Appeals Code published by the Department for Education. If, after your appeal, you are concerned that the appeal did not comply with the Code or was set up wrongly, and that this affected the outcome of your appeal, you can complain to the Education Funding Agency (EFA). The EFA will investigate the complaint on behalf of the Secretary of State. If the EFA finds that the appeal arrangements have breached the Code, the academy may be required to establish a fresh appeal to hear your case if EFA finds that any breach may have affected the outcome of the appeal.

Complaints to the EFA about the appeal panel process should be submitted by sending a completed complaint form by email to academyquestions@efa.education.gov.uk or by post to the Admission Appeal Complaints team at the Education Funding Agency.

Notes: A looked after child is a child who is (a) in the care of a local authority, or (b) being provided with accommodation by a local authority in the exercise of their social services functions (see the definition in Section 22(1) of the Children Act 1989).

**An adoption order is an order under the Adoption Act 1976 (see Section 12 adoption orders) and children who were adopted under the Adoption and Children Act 2002 (see Section 46 adoption orders).*

A 'child arrangements order' is an order settling the arrangements to be made as to the person with whom the child is to live under Section 8 of the Children Act 1989 as amended by Section 14 of the Children and Families Act 2014. Section 14A of the Children Act 1989 defines a 'special guardianship order' as an order appointing one or more individuals to be a child's special guardian (or special guardians)
