1.0 Invitation to Tender

- 1.1 You are invited to tender for the provision of Bikeability Training as detailed in the Tender Response Document. The contract will be for an initial period of approximately 12 months commencing by the 28th April 2014 with the option to extend up to the 31st March 2016.
- 1.2 Tenders are to be submitted in accordance with the General Terms and Conditions of Shropshire Council and the instructions outlined within this document.
- 1.3 Tenders must be submitted in accordance with the following instructions. Tenders not complying in any particular way may be rejected by Shropshire Council (the Council) whose decision in the matter shall be final. Persons proposing to submit a Tender are advised to read the Invitation to Tender documentation carefully to ensure that they are fully familiar with the nature and extent of the obligations to be accepted by them if their Tender is accepted.
- 1.4 The Invitation to Tender documents must be treated as private and confidential. Tenderers should not disclose the fact that they have been invited to tender or release details of the Invitation to tender document other than on an “in confidence” basis to those who have a legitimate need to know or who they need to consult for the purpose of preparing the tender as further detailed in these Instructions for Tendering.
- 1.5 Tenderers shall not at any time release information concerning the invitation to tender and/or the tender documents for publication in the press or on radio, television, screen or any other medium without the prior consent of the Council.
- 1.6 The fact that a Tenderer has been invited to submit a tender does not necessarily mean that it has satisfied the Council regarding any matters raised in the pre-tender questionnaire submitted. The Council makes no representations regarding the Tenderer’s financial stability, technical competence or ability in any way to carry out the required services. The right to return to any matter raised in any pre-tender questionnaire submitted as part of the formal tender evaluation is hereby reserved by the Council.
- 1.7 The Invitation to Tender is issued on the basis that nothing contained in it shall constitute an inducement or incentive nor shall have in any other way persuaded a tenderer to submit a tender or enter into a Contract or any other contractual agreement.
- 1.8 Shropshire Council is purchasing on behalf of itself and any wholly owned local authority company or other entity that is deemed to be a contracting authority by virtue of the Council’s involvement.

2.2 Terms and Conditions

- 2.1 Every Tender received by the Council shall be deemed to have been made subject to the General Terms and Conditions and these Instructions for Tendering unless the Council shall previously have expressly agreed in writing to the contrary.

2.2 The Tenderer is advised that in the event of their Tender being accepted by the Council, they will be required to undertake the required services.

3.0 Preparation of Tenders

3.1 Completing the Tender Response Document

3.1.1 Tenders should be submitted using the 'Tender Response Document' following the instructions given at the front of the document. The Tenderer's attention is specifically drawn to the date and time for receipt of Tenders and that no submission received after the closing time will be considered.

3.1.2 All documents requiring a signature must be signed;

- a) Where the Tenderer is an individual, by that individual;
- b) Where the Tenderer is a partnership, by two duly authorised partners;
- c) Where the Tenderer is a company, by two directors or by a director and the secretary of the company, such persons being duly authorised for the purpose.

3.1.3 The Invitation to Tender Documents are and shall remain the property and copyright of the Council

3.2 Tender Preparation and Costs

3.2.1 It shall be the responsibility of Tenderers to obtain for themselves at their own expense all information necessary for the preparation of their Tender. No claim arising out of want of knowledge will be accepted. Any information supplied by the Council (whether in the Tender Documentation or otherwise) is supplied only for general guidance in the preparation of tenders.

3.2.2 Any Tenderer considering making the decision to enter into a contractual relationship with the Council must make an independent assessment of the Tender opportunity after making such investigation and taking such professional advice as it deems necessary.

3.2.3 Tenderers will be deemed for all purposes connected with their Tender submission where appropriate to have visited and inspected the Council, its assets, all the locations in respect of the delivery of the services/supplies/works and to have satisfied themselves sufficiently as to the nature, extent and character of the services supplies/works sought, and the human resources, materials, software, equipment, machinery, and other liabilities and other matters which will be required to perform the contract.

3.2.4 The Council will not be liable for any costs incurred by Tenderers in the preparation or presentation of their tenders.

3.2.5 Tenderers are required to complete all pricing schedules in the Invitation to tender documents. The terms "Nil" and "included" are not to be used but a zero or figures must be inserted against each item. Unit rates and prices must be quoted in pounds sterling and whole new pence.

3.2.6 It shall be the Tenderer's responsibility to ensure that all calculations and prices in

the Tender documentation are correct at the time of submission.

- 3.2.7 The Tenderer is deemed to have made him/herself acquainted with the Council's requirements and tender accordingly. Should the Tenderer be in any doubt regarding the true meaning and intent of any element of the specification he is invited to have these fully resolved before submitting his Tender. No extras will be allowed for any loss or expense involved through any misunderstanding arising from his/her failure to comply with this requirement.
- 3.2.8 Any Tender error or discrepancy identified by the Council shall be drawn to the attention of the Tenderer who will be given the opportunity to correct, confirm or withdraw the Tender.
- 3.2.9 The Tender Documents must be treated as private and confidential. Tenderers should not disclose the fact that they have been invited to tender or release details of the Tender document other than on an In Confidence basis to those who have a legitimate need to know or whom they need to consult for the purpose of preparing the Tender.

3.3 **Parent Company Guarantee**

It is a condition of contract that if the tendering company is a subsidiary then its Ultimate Group/Holding Company must guarantee the performance of this contract and provide a letter to that effect signed by a duly authorised signatory of the Ultimate Group/Holding Company if requested to do so by the Council. Where the direct parent company cannot provide an adequate guarantee in the opinion of the Council, the Council will look to another group or associate company, with adequate assets, to be the guarantor. In cases where the contract is with a Joint Venture Company (JVC) or a Special Purpose Vehicle (SPV) company, which may have two or more parent companies and which may not be adequately capitalised or have sufficient financial strength on its own to support the risk and obligations it has under the contract, 'joint and several' guarantees / indemnities from the parent companies of the JVC or SPV may be sought.

3.4 **Warranty**

The Tenderer warrants that all the information given in their Tender and if applicable their Request to Participate Questionnaire is true and accurate. The information provided will be deemed to form part of any contract formed under this contract.

The Tenderer warrants that none of their current Directors have been involved in liquidation or receivership or have any criminal convictions

4.0 **Tender Submission**

- 4.1 Tenders must be submitted strictly in accordance with the letter of instruction accompanying this Invitation to Tender using the label provided. Tenders must be submitted by the deadline of **noon, 24th March 2014**. **One hard copy and one CD copy of your Tender Response Document must be returned.**
- 4.2 No unauthorised alteration or addition should be made to the Specification and Tender Response Document, or to any other component of the Tender document. If any such alteration is made, or if these instructions are not fully complied with,

the Tender may be rejected.

- 4.3 Qualified tenders may be submitted, but the Council reserves the right not to accept any such tender. The Council's decision on whether or not a Tender is acceptable will be final.
- 4.4 Tenderers should note that their Tender must remain open and valid and capable of acceptance for a period of at least 90 days.
- 4.5 Tenderers should note that Tenders and supporting documents must be written in English and that any subsequent contract, which may or may not be entered into, its formation, interpretation and performance, shall be subject to and in accordance with the laws of England and subject to the jurisdiction of the Courts of England and Wales.
- 4.6 Where Tender submissions are incomplete the Council reserves the right not to accept them.

5.0 Variant Bids

- 5.1 The Council is interested in alternative solutions which would provide and develop opportunities for savings in service costs, service improvement or other financial benefits. In particular, the Council wishes to encourage solutions which also deliver benefits and added value to the local economy, residents and the business community.
- 5.2 Tenderers may submit, at their discretion, a Tender offering a different approach to the project as a "Variant Bid". However, to permit comparability, at least one bid must be submitted strictly in accordance with the Invitation to Tender Documents (the "Compliant Tender"). Any Tender variant proposed must clearly state how it varies from the requirements of the Compliant Tender Documents, and be explicit in demonstrating the benefits that will accrue to the Council from adopting this approach. Tenderers will be required to identify which submission, in their view, demonstrates best value to the Council.
- 5.3 Variant Bids must contain sufficient financial and operational detail to allow any Variant Bid to be compared with the standard Tender, permitting its considerations in written form.

7.0 Tender Evaluation

- 7.1 The Tenderers may be called for interview to seek clarification of their tender or additional or supplemental information in relation to their tender. The presentations will not carry any weighting to the final score achieved by Tenderers, but will be used to clarify and moderate issues raised in the Tenderer's submissions. Any areas of discrepancy between submissions and information gained from the presentations will be reviewed and scores previously awarded will be amended if necessary.
- 7.2 If the Council suspects that there has been an error in the pricing of a Tender, the Council reserves the right to seek such clarification, as it considers necessary from the Tenderer in question.
- 7.3 One of the core objectives of Shropshire Council is to deliver environmental, social

and economic benefits to the county and this is further emphasised by the Council's top priority being Economic Growth and Priority. The Council is also seeking to meet its obligations under The Public Services (Social Enterprise and Social Value) Act to consider how its procurement activity can secure improvement in the economic, social and environmental well-being of Shropshire.

7.4 The Council therefore uses economic, environmental and social clauses within its commissioning and procurement processes that ensures all tenders are evaluated on a quality / price / points scoring basis and contracts are awarded on the basis of the "most economically advantageous" tender overall.

7.5 The Council therefore also encourages tenderers to consider the economic, social and environmental impact their offer can have within Shropshire and also how they manage their supply chains to ensure that every effort is made to maximise economic and positive social impacts and minimise adverse environmental impacts.

8.0 Clarifications

8.1 Tenderers are responsible for clarifying any aspects of the tendering process and/or the Invitation to Tender documents in the manner described below.

8.2 Any queries arising in relation to this invitation to tender should be raised in writing with [REDACTED], Procurement Manager, Procurement and Contracts, Shropshire Council, Shirehall, Abbey Foregate, SHREWSBURY SY2 6ND (tel: 01743 252993) (email: [REDACTED] quoting the contract reference and title.

8.4 All queries should be raised as soon as possible (in writing), in any event not later than Wednesday 19th March 2014.

8.5 All information or responses that clarify or enhance the tendering process will be supplied to all Tenderers on a uniform basis (unless expressly stated otherwise). These responses shall have the full force of this Instruction and where appropriate the Conditions of Contract. If a Tenderer wishes the Council to treat a question as confidential this must be expressly stated. The Council will consider such requests and will seek to act fairly between the Tenderers, whilst meeting its public law and procurement duties in making its decision.

8.6 Except as directed in writing by the Authorised Officer, and confirmed in writing to a Tenderer, no agent or officer or elected Member (Councillor) of the Council has any express or implied authority to make any representation or give any explanation to Tenderers as to the meaning of any of the Tender Documents, or as to anything to be done or not to be done by a Tenderer or to give any warranties additional to those (if any) contained in the ITT or as to any other matter or thing so as to bind the Council in any way howsoever.

9.0 Continuation of the Procurement Process

9.1 The Council shall not be committed to any course of action as a result of:

- i) issuing this Invitation to Tender;
- ii) communicating with a Tenderer, a Tenderer's representative or agent in respect of this procurement exercise;
- iii) any other communication between the Council (whether directly or through its agents or representatives) and any other party.

9.2 The Council reserves the right at its absolute discretion to amend, add to or withdraw all, or any part of this Invitation to Tender at any time during the tendering stage of this procurement exercise.

9.3 At any time before the deadline for receipt of tender returns the Council may modify the Invitation to Tender by amendment. Any such amendment shall be numbered and dated and issued by the Council to all participating tenderers. In order to give prospective Tenderers reasonable time in which to take the amendment into account in preparing its Tender return, the Council may in its sole discretion, extend the deadline for submission of the tender returns. The Council reserves the right to amend, withdraw, terminate or suspend all or any part of this procurement process at any time at its sole discretion.

10.0 Confidentiality

10.1 All information supplied by the Council in connection with or in these Tender Documents shall be regarded as confidential to the Council unless the information is already within the public domain or subject to the provisions of the Freedom of Information Act 2000.

10.2 The Contract documents and publications are and shall remain the property of the Council and must be returned upon demand.

10.3 Tenderers shall ensure that each and every sub-contractor, consortium member and/or professional advisor to whom it discloses these papers complies with the terms and conditions of this ITT.

10.4 The contents of this Invitation to Tender are being made available by the Council on condition that:

10.4.1 Tenderers shall at all times treat the contents of the Invitation to tender and any related documents as confidential, save in so far as they are already in the public domain and Tenderers shall not, subject to the provisions relating to professional advisors, sub-contractors or other persons detailed below, disclose, copy, reproduce, distribute or pass any of the contents of the Invitation to tender to any other person at any time or allow any of these things to happen;

10.4.2 Tenderers shall not use any of the information contained in this Invitation to tender for any purpose other than for the purposes of submitting (or deciding whether to submit) the tender; and

10.4.3 Tenderers shall not undertake any publicity activity within any section of the media.

10.5 Tenderers may disclose, distribute or pass this Invitation to tender to their professional advisors, sub-contractors or to another person provided that:

- 10.6 The Council may disclose detailed information relating to the Invitation to Tender to its officers, employees, agents, professional advisors or Governmental organisations and the Council may make any of the Contracts and procurement documents available for private inspection by its officers, employees, agents, professional advisors, contracting authorities or Governmental organisations.

- 11.1 Please note that from 1 January 2005 under the provisions of the Freedom of Information Act 2000, the public (included in this are private companies, journalists, etc.) have a general right of access to information held by public authorities. One of the consequences of those new statutory responsibilities is that information about your organisation, which Shropshire Council may receive from you during this tendering process may be subject to disclosure, in response to a request, unless one of the various statutory exemptions applies.
- 11.2 In certain circumstances, and in accordance with the Code of Practice issued under section 45 of the Act, Shropshire Council may consider it appropriate to ask you for your views as to the release of any information before we make a decision as to how to respond to a request. In dealing with requests for information under the Act, Shropshire Council has to comply with a strict timetable and it would therefore expect a timely response to any such consultation within five working days.
- 11.3 If, at any stage of this tendering process, you provide any information to Shropshire Council in the expectation that it will be held in confidence, then you must make it clear in your documentation as to the information to which you consider a duty of confidentiality applies. The use of blanket protective markings such as “commercial in confidence” will no longer be appropriate and a clear indication as to what material is to be considered confidential and why should be given.

11.4 Shropshire Council will not be able to accept that trivial information or information which by its very nature cannot be regarded as confidential should be subject to any obligation of confidence.

11.5 In certain circumstances where information has not been provided in confidence, Shropshire Council may still wish to consult with you as to the application of any other exemption such as that relating to disclosure that will prejudice the commercial interests of any party. However the decision as to what information will be disclosed will be reserved to Shropshire Council.

For guidance on this issue see: <http://www.ico.gov.uk>

13.0 E-Procurement

As part of its procurement strategy Shropshire Council is committed to the use of technology that can improve the efficiency of procurement. Successful Tenderers may be required to send or receive documents electronically. This may include purchase orders, acknowledgements, invoices, payment advices, or other procurement documentation. 14.2 Award Notice

16.3 The Tenderer shall be prepared to commence the provision of the supply and services on the start date of the contract/framework arrangement being 28th April 2014.

17.0 **Payment Terms**

Tenderers should particularly note that the principles governing public procurement require that, as far as is reasonably possible, payments for Goods, Works or Services are made after the provision. Therefore any indication of a pricing strategy within a Tender which provides for substantial payments at the outset of the Contract will be examined carefully to decide whether or not a Tender in such form can be accepted. If in the opinion of the Council such substantial payments appear excessive in relation to the requirements of the Contract the Council reserves, without prejudice to any other right to reject any Tender it may have, the right to require the Tenderer to spread such proportion of the costs as are considered excessive over the duration of the Contract.

18.0 Liability of Council

- 18.1 The Council does not bind himself to accept the lowest or any tender.

Bikeability Training delivered by TTC Group's
Cycle Experience Division

Shropshire Council Tender Response Document

Contract Description:

Shropshire Council are seeking to appoint a suitable contractor to provide Bikeability training, from 1 April 2014 to 31 March 2016, subject to the allocation of Bikeability funding by the Department for Transport (DfT) on an annual basis. The 2014/15 allocation has been confirmed, and the initial contract will therefore be until March 2015. The Council have been advised that the Bikeability support team will communicate with grant recipients later in 2014 regarding access to funding in 2015/16. The focus of the service will be the delivery of Bikeability Level 1/2 in primary schools during term time but provision will also be made for the delivery of Bikeability Level 1/2 during school holidays and Bikeability Level 3 in secondary schools and cycle training for adults in the community.

The Bikeability training service is being commissioned with the following objectives to:

- improve cycle skills and road sense
- increase confidence to cycle
- create a positive perception of cycling
- encourage, enable and facilitate more people to cycle, more safely and more often
- increase cycling trips
- increase the number of children and adults receiving cycle training bases on recent years

Staff delivering training should be fully accredited Bikeability trainers offering the DfT's Bikeability programme and the contractors training scheme must be Bikeability Registered. Full details of Bikeability are available here:

<http://bikeability.dft.gov.uk/delivering-bikeability/>

Background

Shropshire Council has promoted cycling and delivered Bikeability for many years. Each year, Bikeability has been offered to all 139 primary schools and take up has been strong over many years. However, due to the rural nature and size of the county, it has always been difficult to reach all schools, and not all schools are willing to take part.

It is clear that there is scope to significantly increase the number of children

receiving training; however this cannot be achieved with the Council's current resource and structure.

Therefore the Council has decided to outsource the delivery of Bikeability to a suitable Service Provider. We are keen to maintain a high quality service and make best use of the private sector to improve efficiency and flexibility to maximise the numbers of children trained. The Council desires a complete delivery package to ensure Bikeability standards is available to as many children as possible. The core element of the contract will be the delivery of Bikeability Level 1/2 standard together with appropriate final reports to the Council.

The DfT provides Shropshire Council with an annual grant to deliver Bikeability (£40 per head up to a maximum of 2,000 pupils in 2015/16). Currently Shropshire Council charges schools an average of about £15 per head to deliver Bikeability Level 1/2. Shropshire Council aims to keep the cost to schools/parents as low as possible in order to encourage take up. The successful tenderer will need to outline how much it will charge Shropshire Council and schools/parents per head to deliver Bikeability Level 1/2. These rates should find a balance between offering Shropshire Council value for money and schools/parents an attractive rate. For Level 1/2 training the maximum payment the Council is able to make is per head is £40.00. Take up of Bikeability Level 3 through secondary schools and bespoke training for adults has been limited to date. This training is fully funded through the Local Sustainable Transport Fund project and funding is available for more training than currently occurs. Funding for this is currently confirmed until 31 March 2015. Tenderers need only provide a cost to the Council to deliver these elements of training.

Quality Questions/ Scoring Scheme

Questions within the quality sections shown above will be scored using the following scoring scheme. Each answer from the questions identified below will be given a mark between 0 and 10 with the following meanings:

Assessment	Mark	Interpretation
Excellent	10	<i>Exceeds the requirement. Exceptional demonstration by the Tenderer of how they will meet this requirement by their allocation of skills and understanding, resources and quality measures. Response identifies factors that demonstrate added value, with evidence to support the response.</i>
	9	
Good	8	<i>Satisfies the requirement with minor additional benefits Above average demonstration by the Tenderer of how they will meet this requirement by their allocation of skills and understanding, resources and quality measures. Response identifies factors that demonstrate added value, with evidence to support the response.</i>
	7	
Acceptable	6	<i>Satisfies the requirement. Demonstration by the Tenderer of how they will meet this requirement by their allocation of skills and understanding, resources and quality measures, with evidence to support the response.</i>
	5	

Minor Reservations	4	<i>Satisfies the requirement with minor reservations Some minor reservations regarding how the Tenderer will meet this requirement by their allocation of skills and understanding, resources and quality measures, with limited evidence to support the response.</i>
	3	
Serious Reservations	2	<i>Satisfies the requirement with major reservations. Considerable reservations regarding how the Tenderer will meet this requirement by their allocation of skills and understanding, resources and quality measures, with little or no evidence to support the response.</i>
	1	
Unacceptable	0	<i>Does not meet the requirement Does not comply and/or insufficient information provided to demonstrate how the Tenderer will meet this requirement by their allocation of skills and understanding, resources and quality measures, with little or no evidence to support the response.</i>

The use of odd numbers indicates an answer's allocated mark lies between definitions.

The tender receiving the highest mark for quality overall will receive the full 60% available for quality. Other tenders will receive a % that reflects the difference in the marks between those tenders and the tender receiving the highest mark for quality overall.

Price Evaluation and scoring

The most competitively priced tender will receive the maximum mark for price being 400. Less competitive tenders will receive a % of the maximum mark that represents the difference in cost between that tender and the most competitively priced tender. This is demonstrated in the following worked example:

The evaluation "tender price" will be deemed to be the sum of the following:

- Total price per head given for 1a in 2014/15 multiplied by 2,000 plus
- Total price per head given for 1a in 2015/16 multiplied by 2,000 plus
- Price per head given for 2a in 2014/15 multiplied by 300 plus
- Price per head given for 2a in 2015/16 multiplied by 300 plus
- Amount given in 2b for 2014/15 plus
- Amount given in 2b for 2015/16 plus
- Price per hour given for 3a in 2014/15 multiplied by 200 plus
- Price per hour given for 3b in 2014/15 multiplied by 200 plus
- Price per hour given for 3a in 2015/16 multiplied by 200 plus
- Price per hour given for 3b in 2015/16 multiplied by 200 plus
- Amount given in 3c for 2014/15 plus
- Amount given in 3c for 2015/16

Tender	Evaluation Tender Price	Points awarded
A	£260,000	$\text{£}220,000 / \text{£}260,000 \times 400 = 338.5$ points awarded
B	£220,000	Lowest realistic bid = 400 points awarded.
C	£230,000	$\text{£}220,000 / \text{£}230,000 \times 400 = 382.6$ points awarded
