UPDATE

National Provider Engagement Online Event – Accommodation Based Support and Community Based Care Frameworks

This event forms part of the Council's **Preliminary Market Engagement (PME)** activity and will help inform the design of future commissioning and procurement approaches in line with the Procurement Act 2023.

Event details

- **Date:** Thursday 5 March 2026
- **Time:** 2 – 4pm
- **Format:** Online via Microsoft Teams

Scope of the engagement

The session will outline the Council's current commissioning landscape for:

- Accommodation Based Support, including care homes and supported living
- Community Based Care, including domiciliary care, day opportunities and wider community-based provision

The event will provide an opportunity for providers to share views on service models, market capacity, pricing considerations and potential procurement routes.

Important information

Participation in this engagement is **voluntary** and does **not** form part of any formal procurement process. Participation, or non-participation, will not confer any advantage or disadvantage in any future procurement. Feedback gathered may be used to inform future commissioning and procurement documentation, in line with the Procurement Act 2023.

A calendar invite with a Teams link and any supporting material, will be shared in due course.

If you would like to be included in future communications relating to this engagement, please contact commissioning@shropshire.gov.uk. If you have already registered your interest, you do not need to contact us again.

Attendance will be limited to a single person per organisation.

We look forward to your involvement and to engaging with the national provider market as we shape future frameworks for care and support in Shropshire.
