

SEND and Inclusion Network Meetings Primary

3rd February 2025

Welcome and Housekeeping

On today's agenda...

- Welcome
- Local Authority Updates – EHCP Team
- School Nursing Team
- New Shropshire CPD offer for SEND
- Amazing CPD – Assistive Technology
- Evaluation
- Questions
- Future network dates

Local Authority Updates – EHCP Team

EHCP TEAM (previously SEN Team)

What are the EHCP Team responsible for?

The delivery of Shropshire Council's statutory duties relating to special educational needs and/or disability for children and young people aged 0 to 25 to improve the outcomes for Shropshire children and young people with SEND.

Who do we work with?

education, health and social care, parents, carers and young people and with the voluntary sector.

Roles of the team include:

Processing new requests for education, health and care needs assessments

Requesting advice for education, health and care needs assessments

Reviewing the advice received to determine if an education, health and care plan is required

Writing and issuing education, health and care plans

Consulting with education settings for placement

Reviewing, amending and ceasing education health and care plans

Once a child or young person has an EHCP, the EHCP Team will continue to be involved with its maintenance until it ceases, or the young person becomes 25.

EHCP TEAM STRUCTURE

Divided into 4 'teams'

Senior Officers

Early Years Team – up to and including Year 2	➔	Claire Fellowes
Key Stage 2 Team – Year 3 to Year 6	➔	Helen Petrie
Secondary Team – Year 7 to Year 10	➔	Gaynor Styles
Year 11 and Post-16 Team	➔	Keith Melville

Individual EHCP Officers are assigned to individual schools within each specific team

Early Years Team – up to and including Year 2

Senior EHCP Case Officer:- Claire Fellowes

EHCP Case Officer	Area of main responsibility.	Case Allocation by home postcode
Jo Phillips	North Shropshire	SY 10, SY13, SY12, SY4, SY11, SY22, TF9, TF6, CW3, CW2, LL14
Abi Pemberton	Central Shropshire	SY2, SY3, SY1
Sam Cain / Vacancy - – appointment has been made – due to start in Feb.	South Shropshire	SY5, SY6, SY9, SY21, SY15, SY7, SY8, WV16 WV15 WV6, WV7, WV5, TF11, TF3, TF4, TF8, TF12, TF13, DY12, DY14, WR15

Key Stage 2 Team – Year 3 to Year 6

Senior EHCP Case Officer:- Helen Petrie

Important Note:- Year 6 Phase Transfers will be distributed through the whole EHCP Team and so will have a different Case Officer up until the EHCP plan is finalised naming the new Secondary provision.

EHCP Case Officer	Area of main responsibility.	Case Allocation of Mainstream Schools including oversight of Year 6 – see note above.	Case Allocation by home postcode for all other cases.

EHCP TEAM

Costed Provision Map (CPM) and the EHCP Request to Access/Funding uplift

As part of the EHCP request to assess process, Shropshire settings are requested to include a costed provision map and a 'day in the life' document demonstrating how the school has utilised its resources to make provision thus far (SEND Support).

It must clearly show purposeful, evidence-based provision costing at least the £6000 threshold from the notional SEN budget.

When deciding what to put onto a provision map for an EHCP Request or to request an uplift in funding, it is advisable to start with the professionals' reports.

Professional advice/information - 1

Identifying Provisions: read, highlight and identify the answers to the following;

- ***What do the reports say needs to be put in place that is additional to and different from that which is offered through the school's curriculum 'ordinarily available provision' and which are reasonable steps or adjustments? ****
- ***What does the CYP need to be able to do in 12 months time that they can't do now?***
- ***What support will they need to help them achieve this?***
- ***Who is best placed to provide this support and how is it best provided?***

* 'reasonable adjustments' or 'reasonable steps' are referred to in the Equality Act 2010

<https://www.gov.uk/guidance/equality-act-2010-guidance> and [SEND code of practice: 0 to 25 years - GOV.UK](#) (9:91-9:94 and are not considered to be additional to and different from in this context.

For further information on reasonable adjustments: (Ctrl+ click to access the link)

https://issuu.com/familyvoice/docs/a_guide_to_reasonable_adjustments

Professional advice/information - 2

Please note that...

- Professionals reports often indicate the type of provision/intervention and strategies required.
- Think about the objective of the provision rather than the geography i.e. sensory work does not have to be done in the Sensory Room.
- Interventions do not have to be done outside the classroom.
- Interventions do not have to be delivered by solely support staff.
- Provision should be matched accurately to a CYP's need as evidenced in professionals reports and assessments rather than because it is an intervention that the school is already running/has staff trained in.
- 1:1 does not mean the same person
- **1:1 does not have to mean a person right next to the pupil at all times, forever.**

As of 31st January 2025, the hourly rate has increased to represent £17.00 per hour.

This is not expected to include;

- **SENDCO time or time of other teachers/managers in the school**
- **Admin time dealing with SEND paperwork**
- **One off assessments/observations by professionals such as the E.P.**
- **General inclusive resources which are part of the schools**

facilities to create an enabling environment

e.g., sloping board, ICT programmes/apps, guidance programmes etc.

School nursing team

hire
cil

SHROPSHIRE PHNS 0-19

School nursing Service

Where did school nurses come from?

Education Act 1907

The act mandates health annual reviews in schools, completed by a 'School Doctor'.

1919

Creation of the Ministry of Health moves funding for SHS from Education, funding is reduced following WW1

1948

SHS is tasked with reducing headlice in children, going from 8% of the population to 3% ten years later.

1994

Specialist School Nursing qualification is introduced, NCMP starts in 2004

The first School Nurse

Amy Hughes, completes malnutrition work in schools following mandated growth reviews.

WW2

School Nurses escorted evacuee children, dealing with development issues such as enuresis and lice.

1975

Funding for SHS moves to the NHS

2015

Funding for Public health Nursing is moved to Local Authorities.

What about now?

6 locality bases

- 9 Specialist nurses
- 8 Registered nurses
- 6 Healthy Child Practitioners
- 6 Support workers

34,000
children and
young people
aged 5-19 (25
SEND)

164
education
settings

Academic Year 23/24

- **8,168** referrals
- **11,141** one to one contacts
- **5,068** children measured as part of NCMP
- **8,360** children took part in health education sessions
- **58%** of children and young people in Shropshire either met with or saw a School Nurse

Community

- Attendance at integrated panel meetings
- Joint working with partner services, for example; the parenting team, healthy lives advisors and mental health practitioners in schools.
- Working on health related policies to support the community
- Participating in LA task and finish groups.

Universal

- Delivering the National Child Measurement Programme (NCMP)
- Providing sexual health support in secondary schools/colleges.
- Providing drop-in services
- Delivering health promotion sessions
- Providing training for school staff around management of Asthma and Anaphylaxis in school.

Targeted

- Providing confidential one to one support for parents/carers and young people
- Every LA funded school and academy in Shropshire has a named nurse, who can be contacted for any health queries schools may have.
- Text service for one to one support.
- Referrals accepted from any source.

Specialist

- Every child subject to a child protection plan has an allocated nurse, who completes a holistic health and well-being assessment.
- Children with a social worker can be referred into the service for support and attendance at CIN/early help meetings.
- Undertake work arising from health assessments for Looked after children.

Community

- The School Nursing team works across all aspects of health and well-being for 5-19 (25 SEND) year olds and contributes to developing a holistic picture of the young person's world.
- We work closely with partners and are often aware of wider contextual safeguarding issues.
- We accept referrals from anywhere and all referrals result in at least one contact, even if that is with the referrer to offer signposting support.

TREES

Universal

- The School Nursing team delivers the National Child Measurement Programme (NCMP) for Reception and Year 6.
- School Nurses can attend parents evenings, community Drop-ins and parent/student drop-in sessions in education settings.
- Deliver one to one sexual health advice in schools, including pregnancy testing and the Condom Distribution Scheme (CDS)
- We can support managing medical conditions in school by supporting schools to implement care plans, help parents understand their role and provide some staff training
- School Nurses can provide dedicated health education sessions around most health topics aimed at children, young people, parents/carers or teachers/school staff.

Targeted

- One to one work with a School Nurse is a holistic look at health and development needs, with the young person's or parent/carer's consent, we can confidentially explore any topics the client may wish to discuss.

EXAMPLE FROM PRACTICE

Dave, a 13-year-old young man was referred into the School Nursing team by the school's pastoral lead to discuss vaping.

Dave enjoyed vaping, he uses it as a way to deal with feeling anxious about being in large groups, this was especially difficult in school as he found classrooms triggering but was not allowed to use his vape. After discussing the health risks of vaping and explaining it is illegal for under 18's to use any nicotine products, we completed some work with Dave around building resilience, part of this was about identifying reasons why Dave felt anxious. Together, we uncovered complex feelings around body image, which made Dave feel self-conscious. We explored these feelings and completed work around; puberty and changes, hygiene during puberty, treating your body with respect and implementing change. We discussed everything from activity levels to portion size, resilience to self-love and moved Dave around the cycle of change to a place where he decided to quit vaping.

Specialist

- Every child subject to a Child Protection Plan will have an allocated School Nurse, the nurse will undertake a holistic Health and Well-being assessment to contribute to the Child Protection Plan.
- Any child with a social worker/family support worker can be referred into the service for support with an identified health need, these children will also receive an allocated practitioner.
- This practitioner will liaise with other involved professionals and is often in the best position to create robust, detailed onward referrals, they will attend meetings such as core groups/CIN meetings and contribute to planning.
- As with any other level of service, specialist support includes one to one work and education sessions.

Summary

School Nurses support 5-19 (25 SEND) year olds across Shropshire, all LA maintained Schools and academies have an allocated School Nurse

School Nurses can provide robust and detailed onward referrals to other, more specialist services. If you are unsure how to support a child, young person or their parents/carers, or if you are looking to address a wider issue across a whole cohort in school, refer to the School Nurse.

School Nurses provide holistic support for children, young people and their families around any health or development topics. The only referral criteria is consent.

You can get further information, ask questions or simply contact your School Nurse for a chat by calling Point of Access (SPOA)

New Shropshire CPD offer for SEND

New Shropshire CPD offer for SEND

New courses for SEND and Inclusion are continuing to be developed. These are bookable via Eventbrite and links will be posted on the Local Offer as more are released.

PLEASE NOTE: schools and settings will be invoiced for courses directly by the Council. Payment will not be made via Eventbrite. As a result, the Eventbrite page will state that the course is 'Free' when **this may not be the case** – please read all the course information carefully to ensure you are aware of the cost.

New courses currently available to book are:

- **New Early Years SENCo Course:**

<https://www.eventbrite.co.uk/e/1144406433449?aff=oddtcreator>

- **Shropshire SENCo Induction Course:**

<https://www.eventbrite.co.uk/e/1144502761569?aff=oddtcreator>

- **Talkboost KS1 intervention training:**

<https://www.eventbrite.com/e/talkboost-ks1-tickets-1145512401429?aff=oddtcreator>

- **Adaptive teaching for SEND:**
