Dear Examining Inspectors,

Timeframe for Response to ID17

The Council confirms receipt of your letter of 26th July, referred to on the Examination Library as ID17, and acknowledge the request for additional information in relation to the legal Duty to Cooperate.

You have asked the Council's view on when this request can be fulfilled. The Council can confirm this request is being undertaken as a priority, and acknowledge you will not be in a position to advise on how the Examination will proceed until you have received this additional information.

Whilst this information is currently being compiled, due to significant number of annual leave commitments during August, the Council are aiming to respond fully to this request in the **week commencing 12th September 2022**. We will of course seek to get this information to you earlier if possible.

Yours sincerely,

Eddie West
