

Dear Madam

Thanks for your e-mail of 29.5.15 in regard to the Schedule of Main Modifications to the Site Allocations and Management of Development (SAMDev) Plan Consultation.

I can confirm that at this stage we have no comment to make on the proposed modifications. We may however become involved at a later stage if any of the proposed developments have the potential to affect the risk profile of level crossings.

I have attached a copy of our localism guidance for reference, which can be found at: <http://www.rail-reg.gov.uk/upload/pdf/localism-guidance.pdf>

Kind regards

A Harrison
