Dear Daphne

**RE: THE SITE ALLOCATIONS AND MANAGEMENT OF DEVELOPMENT
(SAMDEV) PLAN SCHEDULE OF MAIN MODIFICATIONS - SHROPSHIRE
COUNCIL SAMDEV PLAN**

Following the Inspector's decision to invite comments on the Main Modifications as part of the examination into the Shropshire Council SAMDev Plan, Spawforths have been instructed by our clients, PxP West Midlands to make representations to this document on their behalf.

Spawforths have previously made representations to the Inspector as part of the Examination, in particular post hearing questions raised by the Inspector.

PxP West Midlands supports the Council's Draft SAMDev Plan and Main Modifications identified by the Inspector, following the recent EiP hearing sessions, which seeks to retain the Greenhills Enterprise Park, Shrewsbury (referred to as Land east of Battlefield Enterprise Park in Schedule S16.1 of the SAMDev Plan) as a "protected employment area" under Policy MD9 of the SAMDev Plan.

This confirms that the sites designation under Policy MD9 is justified and consistent with the Core Strategy and that there is sound justification for determining that Greenhills Enterprise Park is existing employment land that can be safeguarded and protected.

On the basis of the representations set out above and Statements made previously to the Inspector we consider that the plan is **now considered to be justified and consistent with national policy and is therefore sound**. This is therefore the most appropriate strategy to meet the identified and future needs.

We trust that you will give due consideration to the representations and we request that you can confirm receipt of this letter.

Please do not hesitate to contact us to discuss any issues raised in this representation further.

Yours Sincerely
