**2) Do you consider the proposed Main Modification addresses the following issues in relation to the policies concerned?**

	Yes	No
Legally compliant	<input type="checkbox"/>	<input type="checkbox"/>
Positively prepared	<input type="checkbox"/>	<input type="checkbox"/>
Justified	<input type="checkbox"/>	<input checked="" type="checkbox"/>
Effective	<input type="checkbox"/>	<input checked="" type="checkbox"/>
Consistent with national policy	<input type="checkbox"/>	<input type="checkbox"/>

**3) If you have answered 'no' to any of the above please specify your reason for objecting below. You should make clear why the Main Modification is either not legally compliant and/or unsound having regard to whether the modification is not: positively prepared; justified; effective; or, not consistent with national policy. Please see guidance notes for explanation of these terms:**

The Parish Council is concerned that the para below has been included:

“A key component of the housing land supply is the allocated housing sites identified in the Policies S1-S18, with related development guidelines. ‘Windfall’ development on other sites is also important, both within settlements and in the countryside, including both brownfield and, where sustainable, greenfield sites, having due regard to the policies of the Local Plan.”

The message that windfall sites in the countryside are important appears to conflict with the policy of identifying “Community Hubs and Clusters” in which to focus development and allowing areas designated as “countryside” to remain free of development. This is a policy that has been welcomed by Prees Parish Council and any changes to the wording which will encourage developers to look out side the Cluster is undesirable and will led to inappropriate applications in areas considered to be “unsustainable”. The Parish Council has already seen a number of such applications whilst SAMdev has gone through the inspection/adoption process and has unsuccessfully fought most of them only to find there is no real defence. This paragraph would appear to “muddy the waters” further and we would ask that it is removed to respect the plans that went into identifying “Clusters” and their acceptance of development.

Continue on a separate sheet if necessary

- 4) Please set out what change(s) you consider necessary to make the SAMDev Main Modification legally compliant and/or sound. It will be helpful if you are able to put forward your suggested revised wording of any policy or text. Please be as precise as possible.**

The Parish Council would like to see this paragraph removed.

Continue on a separate sheet if necessary.
