

Ref **MM186** S16.1ScheduleS16.1aSHREW027 WEIR HILL FARM PROPOSED BUILDING DEVELOPMENT

Dear Ms Woof,

I am writing to voice my concern that the maximum of 150 houses has been removed and now reads approximately 150 houses to be accessed off Preston Street. I would like the original absolute limit to be reinstated.

Also the proposals mentions a route from London Road through the proposed housing development to Preston Street, a "co-ordinated development of two linked sites with new footpaths/cycle ways and bus route"... I hope this will be a highly restricted access to avoid traffic using it as a quick way to get from London Road to Crowmore Road via Preston Street and Portland Crescent.

Yours sincerely,

Katherine Smith
