

Dear Sir,
Regarding proposed alterations to existing agreement.

We object that the maximum of 150 houses has now been changed to Approximately that amount.

As everybody who lives in Preston Street/Portland Crescent is aware the traffic is already at maximum levels to keep it safe for pedestrians and motorist.
School days are an absolute nightmare, parents drive at ridiculous speeds, on their mobiles and park anywhere.

So we therefore strongly believe that these roads cannot sustain any further increase in traffic.
