**Schedule S3.1b: Employment Sites (ELR011/b)**

Is your representation in support or objection? (please tick as appropriate)

**Support**            **Yes**             **No**   
**Object**            **Yes**             **No**

In respect of your representation on the policy, paragraph or section of the Policies Map, do you consider the SAMDev Plan is:

**Legally compliant**    **Yes**             **No**   
**Sound**                    **Yes**             **No**

If your representation considers the SAMDev Plan is not sound, please say whether this is because it is not (*Please tick all that apply*):

<b>Positively prepared</b>	
<b>Justified</b>	
<b>Effective</b>	<b>X</b>
<b>Consistent with National Policy</b>	

**In the box below please specify your reason for supporting or objecting.**

If you are objecting, you should make clear why the document is unsound having regard to the issues of 'legal compliance' or whether the document is not positively prepared, justified, effective or not consistent with national policy (Continue on a separate sheet if necessary).

Tasley Estates consider for the plan to be *effective* there should be flexibility in the wording to ensure in a dynamic environment the best possible chance of delivery. With this in mind Policy S3.1b: Employment Sites allocation south of A458 (ELR011/b) should be amended to allow the relocation of the livestock market and its existing '*or alternative*' ancillary uses only. There are currently a number of ancillary uses that support the livestock market and secure its existence which are considered as one entity for the purposes of this policy. However, uses come and go over time depending on market conditions and it may be that other ancillary uses are equally appropriate to the existing uses, for example, AMC Bank that specialise in agricultural accounts are not currently present but would be a suitable ancillary use.

**Please use the box below to explain the changes you think should be made to the SAMDev Plan in order to make it legally compliant or sound?** You should explain your suggested revisions to the policy, paragraph or section of the Policies Map, and why this change would make the plan legally compliant or sound. Please be as precise as possible (Continue on a separate sheet if necessary)

Add to the wording '...together with its existing or alternative ancillary uses only.'

Please be sure that you have provided all the information necessary to support your representations and any changes you are proposing. After this stage you will not be able to make any further representations about the SAMDev Plan to Shropshire Council. Any further submissions will only be possible at the invitation of the Inspector conducting the examination, who may seek additional information about the issues he/she has identified.
