**Legally compliant**    **Yes**             **No**   
**Sound**                    **Yes**             **No**

If your representation considers the SAMDev Plan is not sound, please say whether this is because it is not (*Please tick all that apply*):

<b>Positively prepared</b>	
<b>Justified</b>	
<b>Effective</b>	
<b>Consistent with National Policy</b>	<b>X</b>

**In the box below please specify your reason for supporting or objecting.**

If you are objecting, you should make clear why the document is unsound having regard to the issues of 'legal compliance' or whether the document is not positively prepared, justified, effective or not consistent with national policy (Continue on a separate sheet if necessary).

Tasley Estates consider Part 2 is unsound as it is not in accordance with national policy where outline planning permission gives a period for implementation of 3 years plus 2 years. Part 2 of MD3 requires evidence that the development will be delivered within 3 years. Whilst it may be desirable to ensure some commitment that development is delivered, the Plan needs to conform to national policy and no particular local circumstances are in evidence to suggest such a departure is appropriate. The issue where 5 year supply is concerned can be dealt with through site by site assessment of delivery timescale rather than an overall total dwelling numbers assessment that assumes all permissions will be delivered.

**Please use the box below to explain the changes you think should be made to the SAMDev Plan in order to make it legally compliant or sound?** You should explain your suggested revisions to the policy, paragraph or section of the Policies Map, and why this change would make the plan legally compliant or sound. Please be as precise as possible (Continue on a separate sheet if necessary)

Delete MD3 part 2 renewing permissions.

Please be sure that you have provided all the information necessary to support your representations and any changes you are proposing. After this stage you will not be able to make any further representations about the SAMDev Plan to Shropshire Council. Any further submissions will only be possible at the invitation of the Inspector conducting the examination, who may seek additional information about the issues he/she has identified.
