This Message originated outside your organization.

Sarah,

I note Megan asked me the same question yesterday.

The Highways Authority have not provided any comments as of yet. The reason why it is showing as superseded is due to them being reconsulted through our system, so that their comments can be submitted as and when received.

Subject: 24/04176/FUL - Land To The East Of Tilstock Road Tilstock Whitchurch Shropshire

Good afternoon Mark,

I am the planning agent for application 24/04176/FUL in Tilstock.

I have just reviewed the application portal and note that under the consultee comments section, it is as of today suggesting that comments have been received from yourself at Highways, but have been superseded.

To date there have been **no published comments** from Highways for this scheme.

Please could you advise if comments have been provided to the case officer and if so, even if the intention is for additional comments to be made, provide those sent to date without delay?

Many thanks,

Sarah
