Description of Path:

Path starts at Mead Cottage to SJ76030263 and ends at the Gate at Ryton Church SJ76080278

I understand that part of this lane is URS U6633/10, the section we wish to claim is that from Mead Cottage up to the church gates. Water services and drainage are located in this old lane, with man hole covers sited in the centre of the lane. I also understand that drainage pipes take surface water away.

This is the claimed route see photos of the horse riding past Mead cottage to the church gates.

I have User Evidence to go with this claim. (6 riders for the same 20+ years).+ several photos of the Water Covers & drainage near Mead Cottage. Council HGV's vehicle is still using this lane to collect the rubbish, Plus the Milk Van & Post Van are using the route, residence vehicles use this lane.

Current Recorded Status:

Path is not recorded on the List of Streets.

Status to be applied for: Bridleway.

Notes: Path is not believed to be obstructed.

It is a dirt surface between the Church Gates down the hill past the cottages to Mead Cottage and the Highway. The Water Board (Severn Trent?) have Water Pipes/supply in this old lane. Drain Covers can be seen. Also sewage & dirty water drains can be seen, in this old lane. Pics are included. Photos available. User Evidence added. The Large Rubbish Truck still uses this Old Route & the Post & the Milkman in his truck.
