ADMISSIONS POLICY

FOR ACADEMIC YEARS 2021/2022, 2022/2023, 2023/2024

The Blue Hills Federation

The Blue Hills Federation is a collective of three primary schools – Clunbury CE Primary School, Newcastle CE Primary School and St Mary’s Bucknell CE Primary School. All three schools share one Executive Headteacher and one Governing Body. When using the term ‘Blue Hills Federation’ within this policy, it is in reference to all three schools. When policy only applies to one school that school will be named specifically. Newcastle CE Primary School does not have a nursery or a preschool, therefore any references to nursery or pre-school do not apply to Newcastle CE Primary School.

Admissions Policy for Academic Years 2021/2022, 2022/2023, 2023/2024

Clunbury Primary and St Mary's Bucknell Primary School are both Voluntary Aided schools and as such its Governing Body has responsibility for its own admissions. Newcastle Primary School is voluntary controlled and therefore the Local Authority is responsible for admissions. If you would like your child to be admitted to any of the schools, please contact the headteacher in the first instance, giving the name and date of birth of your child/ren. The admissions processes are, however, co-ordinated by Shropshire Council, which is the Local Authority (LA) and we liaise closely with Shropshire Council on all admissions issues.

Shropshire residents should make application for Reception through Shropshire Council's website www.shropshire.gov.uk/schooladmissions by 15th January preceding the beginning of the academic year in which you wish your child to start school. All applications received by the closing date will be considered. Parents will be informed on 16th April if they have been allocated a place for their child.

Children in England are entitled to start school in the September following their fourth birthday and must start their education by the beginning of the term after their fifth birthday. Many parents will be happy for their child to start school in the autumn term, but a small number of parents may have concerns that their child might be too young for mainstream school and may wish to defer until later in the school year.

Please note that when children whose birthdays fall in the summer term defer entry until the following September, the child will then enter Year 1 and not Reception, therefore a separate application has to be made. A place will not be held over from Reception.

See the table below which sets out the timetable.

Born between	Due to start school	Time to apply	Allocations made
01.09.16 – 31.08.17	September 2021 onwards	By 15 January 2021	16 April 2021
01.09.17 – 31.08.18	September 2022 onwards	By 15 January 2022	16 April 2022
01.09.18 – 31.08.19	September 2023 onwards	By 15 January 2023	16 April 2023

Details of applications and allocations made in the previous application round can be found on Shropshire Council's website and in the Council's 'Parents' Guide to Education' booklet available on the website www.shropshire.gov.uk. Reference copies are also available in school.

All schools have an admission limit for each year group. The admissions number for each year is 10 at Clunbury CE Primary School, 8 at Newcastle CE Primary School and 8 at St Mary's CE Primary School. Children who have a statement of Special Educational Needs or an Educational and Health Care Plan (EHCP) in which Clunbury CE Primary School, Newcastle CE Primary School or St Mary's Bucknell CE Primary School are named as the appropriate school will be offered places first. After which, where applications exceed the admission number, places will be allocated up to the admission number according to the following criteria in order of priority:

1. Looked after children who are in public care and children who were looked after but ceased to be so because they were adopted (or became subject to a child arrangements order or special guardianship order), as defined in the School Admissions Code.
2. Children living in the designated catchment area and who have an older brother or sister at the school on the date they are due to start.
3. Other children living inside the designated catchment area and whose homes are nearest to the school, measured by a straight line on a computerised mapping system.

4. Children living outside the catchment area and who have an older brother or sister at the school on the day they are due to start and whose homes are nearest to the school, measured as a straight line on a computerised mapping system.
5. Other children living outside the catchment area and whose homes are nearest to the school, measured as a straight line on a computerised mapping system.
6. Children with medical or special circumstances. This will only be considered if parents can provide written medical evidence that either Clunbury CE Primary School, Newcastle CE Primary School or St Mary's Bucknell CE Primary School are relevant to the medical well-being of their child. In such cases priority may be given above those children who qualify under priorities 2 - 5.

NOTES:

A sibling connection is defined as a brother or sister, step-brother or step-sister, half-brother or half-sister, living at the same address as part of the same family unit and of compulsory school age (i.e. 5 – 16 years). Fostered and adopted siblings are also included. Older siblings must be attending the school on the date the younger sibling is due to start there. However, cousins or other relatives who take up residence in a home in order to establish an "in catchment area" address will not be given priority under the sibling criterion.

All applications will be considered by the Admissions Committee according to the admissions criteria above. Parents will be notified on 16 April of the decision on the allocation of places by letter from the Admissions Team on behalf of the Chairman of Governors. Should the admission be refused, parents may ask for a review, by writing to the Chairman of Governors at the school, who will refer the request to the Governors' Appeals Committee. This Committee will not include the Headteacher and the Chairman.

Any applications which do not arrive until after the closing date will not normally be considered until after the allocation date, unless there are exceptional circumstances, such as a house move from another area. Parents are therefore advised that if they do not apply at the correct time, they may not get a place at their preferred school as it may be filled by other applicants.

Such late applications can be included on a waiting list which will operate until the end of the first term of the new academic year. Where a place becomes available and there are several applicants, the allocation will be made according to the admissions criteria.

If the application is still unsuccessful, parents will have the right to pursue their case through an Independent Appeals Panel which will be arranged by Shropshire Council. This procedure has been agreed with the Shropshire Local Education Authority and the Hereford Diocesan Board of Education and is in accordance with the DfE Code of Practice on School Admissions Appeals. The form required for an Appeal can be obtained via the school.

Where parents move into the school's catchment area at a time other than prior to the child starting in Reception, please arrange to visit the school. You will be informed if there are places in the child's year group and invited to apply if there are places available then arrangements will be made for your child to start. If not then parents should follow the procedure set out in the above paragraph.

Parents are advised that if your child is attending the pre-school/nursery attached to the school this gives no guarantee or right of admission into the mainstream school. Equally, children do not have to attend the pre-school/nursery in order to qualify for a place at the school. Parents must complete an application form for the mainstream school.

We recommend that you read Shropshire LA's publication 'Parents Guide to Education in Shropshire' available from the website, www.shropshire.gov.uk or from local libraries. Reference copies are also available in school. The booklet contains important information about making a preference for primary schools and the need to consider making more than one preference, in case we cannot meet

your preference for this school. For your information, we liaise closely with Shropshire LA over the admission process.
