

DOMICILIARY CARE ACCREDITATION

Shropshire Council operates an accredited list of Domiciliary Care providers; from time to time we open accreditation for new providers to apply to join.

Applications for this list are currently closed, however, additional providers within certain areas of Shropshire are sometimes required, depending on demand.

We are giving any prospective providers the opportunity to tell us about the areas within Shropshire where they currently provide care and where they feel they may be able to assist us, for when there is a particular need for additional providers.

Having this information to hand means we would be in a position to contact you with a view to becoming an accredited provider if the need arises.

If you are interested in this opportunity, please complete the information on the form by clicking the link below:
