

Independent auditor's report to the members of Shropshire Council

In our auditor's report issued on 19 July 2023, we explained that we could not formally conclude the audit and issue an audit certificate for Shropshire Council ('the Authority') for the year ended 31 March 2021 in accordance with the requirements of the Local Audit and Accountability Act 2014 and the Code of Audit Practice, until we had:

- completed our work on the Authority's arrangements for securing economy, efficiency and effectiveness in its use of resources. We have now completed this work, and the results of our work are set out below.
- completed the work necessary to issue our Whole of Government Accounts Component Assurance statement for the Authority for the year ended 31 March 2021. The National Audit Office have now concluded their work in respect of Whole of Government Accounts for the year ended 31 March 2021 and confirmed that audit certificates that are open in relation to this can be issued. We are therefore satisfied all audit work necessary has been completed.
- completed our consideration of objections brought to our attention by local authority electors under Section 27 of the Local Audit and Accountability Act 2014. These matters have now been dealt with.

Opinion on the financial statements

In our auditor's report for the year ended 31 March 2021 issued on 19 July 2023 we reported that, in our opinion the financial statements:

- give a true and fair view of the financial position of the group and of the Authority as at 31 March 2021 and of the group's expenditure and income and the Authority's expenditure and income for the year then ended;
- have been properly prepared in accordance with the CIPFA/LASAAC Code of Practice on Local Authority Accounting in the United Kingdom 2020/21; and
- have been prepared in accordance with the requirements of the Local Audit and Accountability Act 2014.

Opinion on the pension fund financial statements

In our auditor's report for the year ended 31 March 2021 issued on 19 July 2023 we reported that, in our opinion the financial statements of Shropshire County Pension Fund:

- give a true and fair view of the financial transactions of Shropshire County Pension Fund during the year ended 31 March 2021 and of the amount and disposition at that date of the fund's assets and liabilities, other than liabilities to pay promised retirement benefits after the end of the fund year;
- have been properly prepared in accordance with the CIPFA/LASAAC Code of Practice on Local Authority Accounting in the United Kingdom 2020/21; and
- have been prepared in accordance with the requirements of the Local Audit and Accountability Act 2014.

Report on other legal and regulatory requirements – the Authority's arrangements for securing economy, efficiency and effectiveness in its use of resources

Matter on which we are required to report by exception – the Authority's arrangements for securing economy, efficiency and effectiveness in its use of resources

Under the Code of Audit Practice, we are required to report to you if, in our opinion, we have not been able to satisfy ourselves that the Authority has made proper arrangements for securing economy, efficiency and effectiveness in its use of resources for the year ended 31 March 2021.

We have nothing to report in respect of the above matter except on 17 July 2024 we identified a significant weakness in the Authority's arrangements for governance. This was in relation to the Authority's arrangements for negotiating severance settlements with senior officers. We recommended that the Authority strengthen its decision-making arrangements by ensuring that it:

- reviewed its Constitution and Standing Orders to ensure its arrangements for dealing with dismissal of senior officers were compliant with the Localism Act 2011 and the Local Government Act 1999 (and associated regulations);

- considered whether an independent committee or board may need to be established in these circumstances; and
- for significant decisions prepare and retain business cases that demonstrate the Authority is obtaining best value.

Responsibilities of the Authority

The Authority is responsible for putting in place proper arrangements for securing economy, efficiency and effectiveness in its use of resources.

Auditor's responsibilities for the review of the Authority's arrangements for securing economy, efficiency and effectiveness in its use of resources

We are required under Section 20(1)(c) of the Local Audit and Accountability Act 2014 to be satisfied that the Authority has made proper arrangements for securing economy, efficiency and effectiveness in its use of resources. We are not required to consider, nor have we considered, whether all aspects of the Authority's arrangements for securing economy, efficiency and effectiveness in its use of resources are operating effectively.

We undertake our review in accordance with the Code of Audit Practice, having regard to the guidance issued by the Comptroller and Auditor General. This guidance sets out the arrangements that fall within the scope of 'proper arrangements'. When reporting on these arrangements, the Code of Audit Practice requires auditors to structure their commentary on arrangements under three specified reporting criteria:

- Financial sustainability: how the Authority plans and manages its resources to ensure it can continue to deliver its services;
- Governance: how the Authority ensures that it makes informed decisions and properly manages its risks; and
- Improving economy, efficiency and effectiveness: how the Authority uses information about its costs and performance to improve the way it manages and delivers its services.

We document our understanding of the arrangements the Authority has in place for each of these three specified reporting criteria, gathering sufficient evidence to support our risk assessment and commentary in our Auditor's Annual Report. In undertaking our work, we consider whether there is evidence to suggest that there are significant weaknesses in arrangements.

Report on other legal and regulatory requirements – Audit certificate

We certify that we have completed the audit of Shropshire Council for the year ended 31 March 2021 in accordance with the requirements of the Local Audit and Accountability Act 2014 and the Code of Audit Practice.

Use of our report

This report is made solely to the members of the Authority, as a body, in accordance with Part 5 of the Local Audit and Accountability Act 2014 and as set out in paragraph 44 of the Statement of Responsibilities of Auditors and Audited Bodies (up to and including 2022/23 audits) published by Public Sector Audit Appointments Limited. Our audit work has been undertaken so that we might state to the Authority's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the Authority and the Authority's members as a body, for our audit work, for this report, or for the opinions we have formed.
