GENERAL

23. Permit holders are subject to all current parking regulations when leaving a vehicle in Shropshire Council car parks as displayed in that car park and specified in the appropriate Shropshire Council (Off Street Parking Places) Orders. A Penalty Charge Notice may be issued to any vehicle failing to adhere to the parking regulations.
24. The Council reserves the right to alter the charges for permits and the car parks or areas within car parks in which they can be used. Alterations to charges are advertised in the local press and/or on signs in the car parks.
25. Shropshire Council reserves the right to change the permit terms and conditions without prior notice. All permits remain the property of Shropshire Council and may not be transferred, sold or given to any other person.
26. The expiry date of a permit will not be extended as a result of the temporary suspension of vehicle parking charges or closure of any Shropshire Council car park(s) for which the permit is valid.
27. In the event of emergencies, flooding or other adverse weather events and special events which impact on the availability of parking for permit holders in a particular car park, Shropshire Council will endeavour to allocate parking provision in suitable alternative car parks but this cannot be guaranteed.
28. These terms and conditions will apply during the term of any parking permit but are liable to change or alteration on renewal.
29. Under Section 115 of the Road Traffic Regulation Act 1984, anyone who with the intent to deceive misuses a permit in anyway shall be guilty of a criminal offence.
