We're the Shropshire Sports Collective and we want to MAKE SPORT WORK.

Offering a series of six week upskilling programmes STFC, Brightstar Boxing, Embrace and Shropshire Cricket have joined forces to engage anyone who wants to learn something new and potentially access the work place.

Do you need a confidence boost to access the work place?

Our programmes are aimed at developing key skills and give participants the mental and physical confidence to take the next step towards employment.

Whether your looking for work and can't get that interview or struggling to write a CV showcasing your skills, we'll be able to provide the wrap around support you need to enhance your career prospects.
