del	ivering the service (please includ	le the org	jani	sations' names).	
7. \	What is the legal status of the org	anisation	ı/pa	rtners?	
Α	A voluntary body		Е	Town or parish council	
				•	
В	A community body		F	Limited company	
С	A trust established for charitable		G	Other, please describe	

Voluntary body means a body, other than a public or local authority, the activities of which are not carried on for profit. The fact that a body's activities generate a surplus does not prevent it from being a voluntary body so long as that surplus is used for the purposes of those activities or invested in the community; **Community body** means a body that carries on activities primarily for the benefit of the community.

purposes

or more individuals)

8. If you listed D above, include details of how you propose to engage staff affected by the expression of interest in development of the proposal. Please also state what consideration has been given to using the Gateway Process for service spin-outs.
9. Please give details of your organisation's current financial resources (if available
please include your most recent annual accounts).
10. Please detail why you feel your organisation and any consortium members or subcontractors will be capable of providing or assisting in providing the service by the time that a procurement exercise takes place (for example, describe your organisations' strengths, give examples of success you have achieved and any track record you have etc). If you are not currently capable, please detail the steps you are undertaking to be ready. Please answer this question for each member of a consortium and each subcontractor where relevant.
subcontractors will be capable of providing or assisting in providing the service by the time that a procurement exercise takes place (for example, describe your organisations' strengths, give examples of success you have achieved and any track record you have etc).
