

Dynamic Purchasing System (DPS) for Building Construction, Design & Build Construction, Demountable (Temporary) Buildings, Asbestos Removal & Demolition

This application process has been issued by Shropshire Council in connection with a competitive procurement in accordance with the Public Contract Regulations 2015 ("the Regulations).

Shropshire Council is establishing a Dynamic Purchasing System for Council Approved Providers considered capable of carrying out works to a satisfactory standard.

The Council may undertake a wide range of alterations, refurbishment and new build projects throughout many sectors such as Residential, Education, Commercial, Industrial and Fire Rescue Service.

The Council requires the ability to flexibly deliver construction, demolition and asbestos removal works within the 5 lots set out below in the way it sees fit for its site(s).

The Lots are as follows:

- 1 Building Construction (Major works contracts from £140,000)
- 2 Design & Build Construction (Major works contracts from £140,000)
- 3 Demountable (temporary) Buildings
- 4 Asbestos Removal
- 5 Demolition
