Capital Funding of Programme	45 - 46

## **Foreword from Peter Nutting, Leader of Shropshire Council**

Welcome to Shropshire Council's budget book for the 2021/22 financial year.

I am proud to say I have been Leader of the Council for four years now. The latest year did not turn out quite as we expected, however, and the foreword from last year's Budget Book could not have anticipated the impact of the Coronavirus Pandemic that looks likely to stretch into 2021/22. That said, while staff had had to deal with new ways of working, and the budget and service delivery in Shropshire has had to change and adapt, our longer term plans for Shropshire have not changed. Shropshire remains a great place to visit, to work and to do business and, with a glass half full approach, we are looking at ways to build on the opportunities the last twelve months have presented.

A sustainable future for Shropshire is not something that can be achieved overnight, but getting a fair share of Government Funding for Shropshire is something that drives me. I accept, however, that this too is a long term strategy involving some difficult decisions and dealing with changes that are beyond our control.

2021/22 is an unusual year, and while it builds on the progress we made last year and continues our exciting direction of travel, from a financial point of view it is necessarily short-term in its outlook. With a single year Spending Review, delayed implementation of Fair Funding and the uncertainty of Covid-19, it is nigh on impossible to set a financial strategy beyond the next year. The years ahead continue to provide challenges for the Council. Our population is aging faster than the national average with needs growing ever more complex as time goes on, yet we understand our duty to provide the best care that we can afford for the people of Shropshire. Demographic demands in Children's Services have seen a step change in costs over the last few years, exaggerated in the latter part of 2020, and safeguarding our younger population has proved difficult to manage financially since 2017/18. Costs continue to grow in this area and this growth has been funded by reductions elsewhere in the Council's budget. We estimate that the cost of Social care overall will rise by £14.2m in 2021/22. We manage these significant financial pressures in the knowledge that we provide low cost services compared to other authorities while maintaining high standards of delivery.

Economic regeneration and our focus on place shaping continue to develop around our key financial assets such as Shrewsbury Shopping Centres. We have brought the Shopping Centres 'on-shore' this last year, dissolving the Jersey Property Unit Trust and bringing the assets onto our Balance Sheet. Building on the lessons from 2020, plans are really taking shape on the future of this vital town centre asset, alongside other key developments, such as the North West Relief Road, forming cornerstones of our Big Town Plan and evolving Capital Strategy.

Given the environment we currently operate within, it is of no surprise that our financial plan does not provide a balanced and sustainable budget for the long-term future. It does, however, meet our immediate challenges, and our key focus to deliver a balanced budget in 2021/22. We have seen government funding fall every year. Revenue Support Grant, for example, was over £67m seven years ago representing almost 30% of our £232m net funding. This dropped to only £6m last year, in 2020/21, and is just less than 3% of the £226m we had to spend. The one year Spending Round announced last year and the widespread disruption caused by Covid-19 restrictions makes comparisons less transparent for 2021/22, but the underlying structural position has clearly not changed. This means we have to raise more money locally through Council Tax, yet have less money to spend than ever before with demand for our services growing as each year goes by. For these reasons, we need to look hard at increases in Council Tax for 2021/22. The government is planning a complete review of local government finance (called the Fair Funding Review). This was originally proposed to be in place for 2019/20 but has slipped several times and is expected by 2022/23. This revised funding methodology is expected to see a shift in the way funding is distributed, taking account of population to a far greater extent than at present, and have specific service-based funding mechanisms for adults and children's social care based on an assessment of need and demand across a locality. There may be a far greater emphasis on locally generated sources of finance with Council Tax taking an ever-greater share and more Business Rates retained at a local level (increasing from 50% to 75%). Alongside these principal sources of funding there would need to be some national redistribution (based on fairer calculation), at the same time as removing all central government support.

In Shropshire the most elderly of our population is growing at a rate 30% higher than the national average, creating a huge pressure on social care services; we have a wide geography over which to deliver all of our services; we have a huge road network to maintain, and the demands we have to manage derive from a sparsely distributed and sometimes remote population. At the same time, we deliver some of the lowest cost council services in the country, we have a thriving business community, good employment levels and we have good quality housing. Unfortunately, in terms of the Council's finances, the clear majority of our businesses pay little or no business rates (we estimate that of around 12,000 registered business in Shropshire the largest 100, or less than 1%, pay around 30% of the business rates we collect) and our Council Tax level is below the national average. (In fact, for a Unitary Council, even with recent necessary increases, we still have lower than average Council Tax levels.) More importantly, the demands and pressures on our services cause growth in costs which have no correlation whatsoever with our ability to raise funds locally. We simply cannot raise enough funds, at the accelerating rate we need to, through Business Rates and Council Tax to fund the services we need to provide locally. This leaves us with a stark choice; we cut services to meet our expected funding envelope, or we find new innovative ways to work and the means to raise more income.

We are continuing to lobby Government hard to ensure that 'Fair Funding' achieves what it was set up to do i.e. deliver a redistribution of funds to match needs, not the ability to raise funds. I have continued to lobby government, along with our local MPs, pressing for an adequate

recompense for Covid-19 costs and a fairer settlement for Shropshire in the longer term. This also means getting a fair share for local government as a whole – there's little point in Shropshire receiving a fairer share of the pot, if the pot just isn't big enough to start with.

The government publishes Core Spending Power calculations for every local authority in the country. In Shropshire, the core spending power is below the national average across England. If the new fair funding mechanism did nothing more than provide Shropshire with national average funding, we estimated we would be better off financially by over £30m each and every year. That amount of funding would not quite be enough to solve our estimated structural funding gap, but it would go a long way.

The Budget Book for 2021/22 provides details of how and where we will spend money over the next twelve months, turning our priorities and aspirations into the reality of spending plans on a service-by-service basis.

As you will see from the capital budget section of this book, we are planning to invest £150million into local projects in 2021/22. The capital programme remains priority led, reflecting the need for growth in the Shropshire economy, investment in infrastructure and roads, and significant funding to deliver superfast broadband across much of Shropshire in the coming years. The Capital Programme is driven by the Council's Capital Strategy. The Capital Strategy 2021/22 to 2025/26 outlines proposals to invest almost £216m in Shropshire over the coming five to ten years.

We have invested in digital transformation in order to streamline and improve the efficiency and productivity of our back-office services and reduce ongoing costs. Shropshire's residents see the outcomes of this investment with more to come over the near-term, delivering more services on-line, in a more accessible way and more efficiently.

In this last year, we have continued to invest in the structural maintenance of roads, bridges and structures, street lighting and the Integrated Transport Plan through utilisation of the Department for Transport's Highways Maintenance funding.

Funding secured from The Marches Local Enterprise Partnership (LEP) and developer contributions have been utilised for the Shrewsbury Integrated Transport Package, which will deliver long term economic benefits and sustainable growth for Shrewsbury and the surrounding area, and the Oxon Relief Road Project. Significant government grant funding has been secured to assist with the delivery of the North West Relief Road (NWRR).

Investment in flood defence and water management continues and schemes have progressed to further alleviate the effect of flooding in the county.

The Broadband Project continues to deliver improved connectivity to Shropshire. Development of The Tannery site continues with completion of both Student Accommodation and the Medical Practice.

Disabled Facilities grants continue to be utilised to improve access to homes, rooms and facilities for Shropshire residents with disabilities and the Home Ownership for Clients with Long Term Disabilities (HOLD) Project has enabled individuals with enduring physical and / or learning disabilities to buy a home of their own.

School improvement schemes have continued throughout the year utilising Condition Capital, Basic Need Capital and Devolved Formula Capital funding from the Department for Education and the Council is investing in School Future Place Planning to meet the increasing demand for school places in the county. Additionally, the Council is investing in the provision of in-house Children's Residential Care Homes to generate savings in relation to the purchase of out of county care.

The Major Repairs Programme and New Build Programme have continued in relation to the Council's retained housing stock through the Council's Arms-Length Management Organisation, Shropshire Towns & Rural Housing (ST&RH).

We are looking at investment opportunities for the future, and we are not averse to internal and external borrowing to fund these should the right opportunities arise. The capital strategy is developed around these themes and in the coming years we will see a shift from funding schemes that result in a drain on the budget to proposals that deliver efficiencies and financial returns, reducing our costs not increasing them. Our Treasury and Investment Strategies work together to place a framework around this approach.

In the meantime, the financial implications of our plans for 2021/22 are set out in this budget book. I would like to take this opportunity to offer my thanks to all the officers across the Council who work extremely hard to manage our high quality services and our very complex finances – something that increases in importance with every passing year.

Peter Nutting  
Leader of Shropshire Council

## Revenue Summary

## Financial Strategy Summary

The Final Council Financial Strategy presented to Council 25 February 2021 provides the latest projections on the Council's Resource and Expenditure projections for the period 2021/22 and the initial projections for 2022/23 to 2025/26. The following table provides a summary.

**Table 1: Resource and Expenditure Projections 2021-2026**

	2021/22	2022/23	2023/24	2024/25	2025/26
	£'000	£'000	£'000	£'000	£'000
Resources	554,318	537,072	545,051	561,205	573,258
Expenditure	615,492	580,332	593,725	614,294	631,251
<b>Funding Gap</b> (2021/22 includes one off COVID-19 Collection Fund Deficit)	<b>-61,174</b>	<b>-43,260</b>	<b>-48,674</b>	<b>-53,089</b>	<b>-57,993</b>
<b>Year on Year Increase</b>		<b>-17,914</b>	<b>5,414</b>	<b>4,415</b>	<b>4,904</b>

The Resource Projections are based on the Final Local Government Finance Settlement received on 4 February 2021 and estimates of Local Business Rates retained locally. Council Tax will increase in 2021/22 by 1.99% and a further 2.00% relating to an Adults Services Precept.

The expenditure projections reflect the latest assumptions for inflationary growth including pay and prices. These also include demand and demographic growth and budgetary pressures for Adult Services and Children's Safeguarding. Both of these services are experiencing significant increases in growth and it is projected to continue to rise over the 5 year period.

The Council has agreed to use one off funds to close and fully fund the funding gap in 2021/22. There is still a significant amount of uncertainty around the 2022/23 financial year due to the likely introduction of 75% business rates retention in that year alongside the fair funding review. Therefore until further clarity is available from the Government regarding the detail of these proposals and the Council can evaluate the impact on the resources projected, it is not possible to formulate long term plans to ensure a sustainable future for the Council.

The table below details how the total £61.174m will be funded in 2021/22.

**Table 2: Funding Gap and Savings for 2021/22**

	£'000	£'000
<b>Funding Gap:</b>		
2021/22 Funding Gap	61,174	
<b>Total Funding Gap</b>		<b>61,174</b>
<b>One off Funding:</b>		
Rural Services Delivery Grant – One Off	-6,941	
New Homes Bonus - One Off	-943	
Social Care Funding - One Off	-9,112	
Improved Better Care Funding	-9,547	
S.31 Business Rates Additional Relief Grants for COVID	-21,111	
Financial Strategy Reserve – to provide for 2021/22	-13,520	
<b>Total Savings/Funding</b>		<b>61,174</b>

# Appendix 1 - Savings

## Summary

	Saving 2021/22 £000
Adult Services	1,074
Children's Services	9
Place	2,623
Finance, Governance & Assurance	95
Workforce & Transformation	49
<b>Total</b>	<b>3,850</b>

## Appendix 1 - Savings

### Adult Services Savings

Proposal	2021/22 £000
Purchasing review to include high cost packages and spot bed prices	450
Negotiate contract savings upon renewal through better contract management	124
Use of ongoing funding to fund technology and equipment costs	500
<b>Total</b>	<b>1,074</b>

### Children's Services Savings

Proposal	2021/22 £000
Negotiate contract savings upon renewal through better contract management	9
<b>Total</b>	<b>9</b>

### Place Savings

Proposal	2021/22 £000
Raise income from investment in assets	2,000
Negotiate contract savings upon renewal through better contract management	123
Efficiencies within administrative buildings	500
<b>Total</b>	<b>2,623</b>

# Appendix 1 - Savings

## Finance, Governance and Assurance Savings

Proposal	2021/22 £000
Negotiate contract savings upon renewal through better contract management	95
<b>Total</b>	<b>95</b>

## Workforce and Transformation Savings

Proposal	2021/22 £000
Negotiate contract savings upon renewal through better contract management	49
<b>Total</b>	<b>49</b>

## Appendix 2 - Recharges

Support Service	Recharge Base
<b>Strategic Management Board</b>	
Chief Executive	Direct cost recharged wholly to Corporate & Democratic Core/HRA based on turnover, project budgets charged out over directorates as a percentage split
Administrative Support	Recharged to Service Areas
<b>Workforce &amp; Transformation</b>	
Customer Service Centre	Based on contact activities such as Email, Face to Face or Telephone from records from CSC system
SLA & Performance Team	Based on budget value and CRM activity to areas within Customer Access
Web Team	Based on active directory users
IT:	Based on number of IT Licences and time estimates
Application Management	Based on estimate of time spent on each application and contract values
IT Help desk and IT Services	Based on active directory users
IT (Data Centre, File Storage, Virtualisation)	Service specific calculation
Mail Room	Recharged to Corporate Landlord shared buildings
Health & Safety	Based on headcount
Human Resources	Based on headcount
Occupational Health	Based on headcount
Communications	Based on estimate of time spent on each service
Commissioning Support Unit	Based on estimate of time spent on each service
<b>Legal &amp; Democratic Services</b>	
Legal Services	Based on estimate of time spent on each service
Committee Services	Based on estimate of time spent on each service with an element recharged to Corporate & Democratic Core/HRA
Member Allowances/Services	Recharged wholly to Corporate & Democratic Core/HRA based on a time estimate
FOI/Information Governance	Recharged wholly to Corporate & Democratic Core/HRA

## Appendix 2 - Recharges

Support Service	Recharge Base
<b>Finance, Governance &amp; Assurance</b>	
Audit	Based on audit plan
Finance Business Partners	Recharged to services based on estimated time supporting specific services including the capital programme
Technical Accounting	Based on estimated time spent on each technical accounting activity. Recharged to services based on number of cost centres. Proportion of time relating to closing the accounts, treasury management and costs in relation to estimating and allocating corporate level resources (i.e. grant settlements) is charged direct to Corporate & Democratic Core
Management Accounting:	
Purchase Ledger	Recharged based on number of PL invoices processed, number of authorising officers within PL, users of PL, number of imprest accounts
Income	Recharged to services based on volume and type of income transactions.
Sales Ledger	Recharged based on number of sales ledger invoices raised.
General Ledger	Recharged to services based on number of cost centres within finance system. Purchasing cards administration recharged to services holding purchasing cards.
Core Activity	Proportion of time relating to closing the accounts, treasury management and costs in relation to estimating and allocating corporate level resources is charged direct to Corporate & Democratic Core.
Treasury	Recharged to Corporate & Democratic Core/HRA and service areas based on number of purchasing cards, imprest accounts and leasing arrangements
Head of Finance	Recharged based on estimate of time spent on each service area. Proportion of time relating to closing the accounts, treasury management and costs in relation to estimating and allocating corporate level resources (i.e. grant settlements) is charged direct to Corporate & Democratic Core
Procurement	Based on estimate of time spent on each service
Head of Finance, Governance and Assurance	Recharged based on estimate of time spent on each service area. Proportion of time relating to closing the accounts, treasury management and costs in relation to estimating and allocating corporate level resources (i.e. grant settlements) is charged direct to Corporate & Democratic Core
<b>Corporate</b>	
External Audit Fees	Recharged wholly to Corporate & Democratic Core/HRA based on audited working papers

## Appendix 2 - Recharges

Support Service	Recharge Base
<b>Place - Commercial Services</b>	
Strategic Asset Manager	Based on estimate of time spent between Estates Team, Property Strategy, Review & Compliance Team & Property Commissioning Team
Office Accommodation	Cost of office accommodation recharged based on floor occupancy
Property Strategy, Review & Compliance	Based on asset value of all buildings in the Fixed Asset Register
Property Commissioning	Based on estimated time spent over Corporate Landlord buildings, buildings with energy charges, admin buildings and school buildings
Premises Services	Based on Repairs and Maintenance expenditure
Facilities Management	Based on estimate of time spent on each Facilities Management Team managed building
Estates Team	Based on estimate of time for specific works across all Council buildings
<b>Place - Homes &amp; Communities</b>	
Records Management	Based on number of boxes held in archive

## Appendix 3 – Government Grants

2020/21 Revised Budget £	Government Grants	2021/22 Budget £
<b>Adults Services</b>		
199,730	Local Reform & Community Voices Grant	190,550
41,640	Social Care in Prisons	47,940
1,511,940	Independent Living Fund Grant	1,511,940

## Appendix 5 – Glossary

### Budget

The financial plan reflecting the Council's policies and priorities over a period of time i.e. what the Council is going to spend to provide services.

### Business Rates

Taxation that is levied on business properties and collected by Shropshire Council. A change in regulations surrounding Business Rates has resulted in a proportion being retained and shared locally amongst authorities (including Fire Authority), rather than going to the Government for redistribution on a national basis.

### Capital Expenditure/Capital Programme

Expenditure on items that have a life of more than one year, such as buildings, land, major equipment, or which adds to rather than maintains the value of existing assets.

### Capital Financing

Capital expenditure is financed by Government grants, external contributions (e.g. developers' contributions to specific schemes), contribution from the revenue account, proceeds from the sale of assets, and borrowing. The revenue budget bears the cost of direct revenue contributions, together with interest and the provision for repayments of the loans.

### Capital Receipts

The proceeds from the sale of fixed assets such as land and buildings. These sums can be used to finance new capital expenditure.

### Collection Fund Surplus

A surplus of council tax and business rate income collected over the level assumed for budget purposes. Any such surplus or deficit is shared between the billing authority and its major precepting authorities.

### Council Tax Requirement

This is an amount calculated, in advance of each year, by every local authority. It is the amount of revenue to be collected from council tax, and is equivalent to an authority's Band D council tax multiplied by its council tax base.

### Earmarked Reserves

The Council maintains certain specific revenue reserves to meet future expenditure. These are held within earmarked reserves.

## Appendix 5 – Glossary

### Employees

This includes all staffing budgets as well as indirect employees costs such as training, recruitment, agency staff and any budgeted redundancy costs.

### General Fund Balances

This balance is held by the Council for general purposes, i.e. against which there are no specific commitments. The balance is treated as a contingency to protect the Council's financial standing should there be any financial issues in the year.

### Government Grants

Contributions by central Government towards either the revenue or capital cost of local authority services.

### Housing Revenue Account

The statutory account to which the revenue costs of providing, maintaining and managing Council dwellings are charged. These costs are financed by tenants' rents and government housing subsidy.

### Internal Recharges

This includes the costs of support services such as IT, HR, Finance, Legal and Property Services. These services provide support functions to the frontline services in their service delivery.

### Net Budget Requirement

The total expenditure (after deduction of income) that the Council finances from the aggregation of Revenue Support Grant, Business Rates and Council Tax.

### Non Controllable Expenditure

This includes notional accounting transactions required to show the total cost of a service and includes capital charges such as depreciation, insurance contributions and future pension costs.

### Other Controllable Expenditure

This includes all premises, transport related and supplies and services budgets that the Council holds.

## Appendix 5 – Glossary

### Revenue Expenditure

Expenditure on the day to day running costs of the Council, such as salaries, wages, utility costs, repairs and maintenance.

### Service Income

This includes all other income received within the revenue budget and will include other grants and contributions, fees and charges, other sales and internal recharge income.

### Staff Budgets

This includes only staff salaries, NI contributions and Pension costs for Council employees.

### Tax Base

To set the Council Tax for each property a Council has to first of all calculate the council tax base. This is a figure that is expressed as the total of band D equivalent properties.

### Third Party Payments

This is a payment to an external provider or an internal service delivery unit defined as a trading operation. This generally contains any major contracts that the Council enters into.

### Transfer Payments

This includes the costs of payments to individuals for which no goods or services are received in return. Examples of transfer payments include rent rebates and rent allowances for Housing Benefits.

## Housing Revenue Account

2020/21 Budget £	Shropshire Council Housing Revenue Account	2021/22 Budget £
<b>Income</b>		
(17,323,050)	Dwellings Rent	(17,540,800)

## **Capital Programme 2021/22 - 2023/24**

### **Capital Programme Summary**

The Capital Programme for the period 2021/22 to 2023/24 is based on current confirmed funding and delivery schedule for schemes. The programme is based on projects that have proceeded to approval stage, either via delegated powers or full Cabinet and Council recommendation approvals.

To comply with the revised Prudential Code for Capital Finance in Local Authorities published by CIPFA in 2017, the Council is now required to prepare a Capital Strategy which demonstrates that the authority takes capital expenditure and investment decisions in line with service objectives and properly takes account of stewardship, value for money, prudence, sustainability and affordability. The Council has produced a Capital Strategy which gives an overview of how capital expenditure, capital financing and treasury management activities contribute to the provision of services, but importantly considers the associated risks for the future financial sustainability.

In November 2019, CIPFA issued additional guidance “Prudential Property Investment”. In November 2020 the “Public Works Loan Board (PWLB): Future Lending Terms” consultation was issued. The consultation reflected the new governance arrangements following the transfer of lending powers to HM Treasury and aimed to end the situation in which a minority of local authorities used PWLB loans to support the acquisition of investments assets primarily for yield. The Capital Strategy 2021/22 to 2025/26 has been revised and updated to take account of both the CIPFA guidance and this consultation.

Potential future capital and investment schemes over the medium to long-term are considered in the Capital Strategy. These projects aim to not only achieve ongoing statutory requirements but also deliver the key underlying objective of all the Council’s strategies; to become more financially sustainable. As these projects have yet to complete the full due diligence process, they are not included in the Capital Programme.

## Capital Programme 2021/22 - 2023/24

### Capital Budgets 2021/22 to 2023/24

Service Area	2021/22 Budget £	2022/23 Budget £	2023/24 Budget £
