If the applicant fails to provide all the information to complete the application, the application will be rejected.

Once your application has been validated and accepted the Licensing Team will:

- Complete an online check of the MOT history for the vehicle

- Where applicable. make enquiries through the Councils adults and children's social care teams, West Mercia Police (or other relevant force), other local authorities and any other organisation, agency or person that the Council has deemed appropriate to seek information from

Providing the above are satisfied and there are no concerns about the application, Officers will grant the licence. Once your application has been granted a member of the Licensing Team will contact you to arrange a vehicle compliance appointment prior to the licence plates being issued. In all other cases, the application will be referred to the Licensing Panel for determination. The applicant will be notified in writing if their application is to be determined by the Licensing Panel.

At the vehicle compliance appointment checks will be made to ensure:

- Where CCTV is fitted, a CCTV operating in this vehicle sign is on display

Provided officers are satisfied that the vehicle meets the requirements of the compliance check, the new licence plates will be issued. If, however, the vehicle does not meet the compliance check, advice will be provided and a further appointment arranged.
