acceptable will be final.

**4.4** Tenderers should note that their Tender must remain open and valid and capable of acceptance for a period of at least 90 days.

**4.5** Tenderers should note that Tenders and supporting documents must be written in English and that any subsequent contract, which may or may not be entered into, its formation, interpretation and performance, shall be subject to and in accordance with the laws of England and subject to the jurisdiction of the Courts of England and Wales.

**4.6** Where Tender submissions are incomplete the Council reserves the right not to accept them.

## **5.0 Variant Bids**

**5.1** The Council is interested in alternative solutions which would provide and develop opportunities for savings in service costs, service improvement or other financial benefits. In particular, the Council wishes to encourage solutions which also deliver benefits and added value to the local economy, residents and the business community.

**5.2** Tenderers may submit, at their discretion, a Tender offering a different approach to the project as a "Variant Bid". However, to permit comparability, at least one bid must be submitted strictly in accordance with the Invitation to Tender Documents( the "Compliant Tender") . Any Tender variant proposed must clearly state how it varies from the requirements of the Compliant Tender Documents, and be explicit in demonstrating the benefits that will accrue to the Council from adopting this approach. Tenderers will be required to identify which submission, in their view, demonstrates best value to the Council.

**5.3** Variant Bids must contain sufficient financial and operational detail to allow any Variant Bid to be compared with the standard Tender, permitting its considerations in written form.

## **6.0 Tender Evaluation**

**6.1** The Tenderers may be called for interview to seek clarification of their tender or additional or supplemental information in relation to their tender. The presentations will not carry any weighting to the final score achieved by Tenderers, but will be used to clarify and moderate issues raised in the Tenderer's submissions. Any areas of discrepancy between submissions and information gained from the presentations will be reviewed and scores previously awarded will be amended if necessary.

**6.2** If the Council suspects that there has been an error in the pricing of a Tender, the Council reserves the right to seek such clarification, as it considers necessary from the Tenderer in question.

**6.3** One of the core objectives of Shropshire Council is to deliver environmental, social and economic benefits to the county and this is further emphasised by the Council's top priority being Economic Growth and Priority. The Council is also seeking to meet its obligations under The Public Services (Social Enterprise and Social Value) Act to consider how its procurement activity can secure improvement in the economic, social and environmental well-being of Shropshire.

**6.4** The Council therefore uses economic, environmental and social clauses within its commissioning and procurement processes that ensures all tenders are evaluated on a quality / price / points scoring basis and contracts are awarded on the basis of the “most economically advantageous” tender overall.

**6.5** The Council therefore also encourages tenderers to consider the economic, social and environmental impact their offer can have within Shropshire and also how they manage their supply chains to ensure that every effort is made to maximise economic and positive social impacts and minimise adverse environmental impacts.

## **7.0 Clarifications**

**7.1** Tenderers are responsible for clarifying any aspects of the tendering process and/or the Invitation to Tender documents in the manner described below.

**7.2** Any queries arising in relation to this invitation to tender should be raised in writing via the Delta e-tendering portal.

**7.4** All queries should be raised as soon as possible (in writing), in any event not later than Wednesday 15th February 2017.

**7.5** All information or responses that clarify or enhance the tendering process will be supplied to all Tenderers on a uniform basis (unless expressly stated otherwise). These responses shall have the full force of this Instruction and where appropriate the Conditions of Contract. If a Tenderer wishes the Council to treat a question as confidential this must be expressly stated. The Council will consider such requests and will seek to act fairly between the Tenderers, whilst meeting its public law and procurement duties in making its decision.

**7.6** Except as directed in writing by the Authorised Officer, and confirmed in writing to a Tenderer, no agent or officer or elected Member (Councillor) of the Council has any express or implied authority to make any representation or give any explanation to Tenderers as to the meaning of any of the Tender Documents, or as to anything to be done or not to be done by a Tenderer or to give any warranties additional to those (if any) contained in the ITT or as to any other matter or thing so as to bind the Council in any way howsoever.

- i) issuing this Invitation to Tender;
- ii) communicating with a Tenderer, a Tenderer’s representative or agent in respect of this procurement exercise;
- iii) any other communication between the Council (whether directly or through its agents or representatives) and any other party.

**8.2** The Council reserves the right at its absolute discretion to amend, add to or

withdraw all, or any part of this Invitation to Tender at any time during the tendering stage of this procurement exercise.

- 8.3** At any time before the deadline for receipt of tender returns the Council may modify the Invitation to Tender by amendment. Any such amendment shall be numbered and dated and issued by the Council to all participating tenderers. Therefore any indication of a pricing strategy within a Tender which provides for substantial payments at the outset of the Contract will be examined carefully to decide whether or not a Tender in such form can be accepted. If in the opinion of the Council such substantial payments appear excessive in relation to the requirements of the Contract the Council reserves, without prejudice to any other right to reject any Tender it may have, the right to require the Tenderer to spread such proportion of the costs as are considered excessive over the duration of the Contract.

# Shropshire Council Tender Response Document

## **Contract Description:**

Shropshire Council are seeking to appoint a suitable contractor to provide Bikeability cycle training, from 1 April 2017 to 31 March 2020 following the allocation of Bikeability funding by the Department for Transport (DfT) for this period. The focus of the service will be the delivery of Bikeability Level 1/2 in primary schools and Level 3 in secondary schools during term time but provision can also be made for the delivery of Bikeability training during school holidays if the contractor is able to promote / facilitate this. Provision will also include the delivery of Bikeability Level 1, five Bikeability Plus modules and bespoke training.

The Bikeability training service is being commissioned with the following objectives to:

- improve cycle skills and road sense
- increase confidence to cycle
- create a positive perception of cycling
- encourage, enable and facilitate more people to cycle, more safely and more often
- increase cycling trips
- increase the number of children and adults receiving cycle training

Staff delivering training should be fully accredited Bikeability trainers offering the DfT's Bikeability programme and the contractors training scheme must be Bikeability Registered. Full details of Bikeability are available here:

<http://bikeability.org.uk/>

## ***Background***

Between April 2014 and March 2016 Bikeability and other cycling activities were delivered through a major contract with central government funding in the form of Bikeability grant and Local Sustainable Transport Fund grant. In February 2016 Shropshire Council secured Bikeability grant for a limited time period during which time the Bikeability service has been delivered through a limited scope minor contract. The recent announcement of Bikeability grant to March 2020 covering all Levels of Bikeability and Bikeability Plus modules has enabled Shropshire Council plan for a more extensive service which requires the set up a longer term major contract.

The overall level of funding available to Shropshire to deliver the Bikeability

service is significant and contract payment over the 3 years are expected to exceed £200,000. However, demand for training is likely to exceed the available funding and Shropshire Council's contribution is subject to continual review. Therefore the tender includes a number of options which have been included to address the training demand and financial pressures. To this end Shropshire Council is keen to work with an innovative service provider who can deliver the best possible service within the funding constraints. It is also important to note that the grant funding from DfT is subject to an annual confirmation process.

## **Award Criteria – Weighted Marked Questions**

Tenders will be evaluated on the answers provided in this Tender Response Document and judged against the criteria shown in the table below. The award criteria is made up of 'Quality' and 'Price' and the table shows how each will be weighted against the other.

<b>Section / Question No.</b>	<b>Award Criteria</b>	<b>Weighting / Max Marks Available</b>
<b>Price 70% (700 marks)</b>		
Section H / Q 1.1	Price	70% / 700 max marks
<b>Total for price</b>		<b>70% / 700 max marks</b>
<b>Quality 30% (300 marks)</b>		
Section H / Q 2.1	Management (capacity & promotion)	5% / 50 max marks
Section H / Q 2.2	Delivery	20% / 200 max marks
Section H / Q 2.3	Compliance (reporting, complaints & data handling)	4% / 40 max marks
Section H / Q 2.4	Public Image & use of PPE	1% / 10 max marks
<b>Total for quality</b>		<b>30% / 300 max marks</b>

### **Quality Questions Marking Scheme**

Questions within the quality sections shown above will be marked using the following scheme. Each responses relating to the alphabet lettered sub questions in section H 2 will be scored between 0 and 10 in line with the following meanings:

<b>Assessment</b>	<b>Score</b>	<b>Interpretation</b>
<b>Excellent</b>	<b>10</b>	<i>Exceeds the requirement. Exceptional demonstration by the Tenderer of how they will meet this requirement by their allocation of skills and understanding, resources and quality measures. Response identifies factors that demonstrate added value, with evidence to support the response.</i>
	<b>9</b>	
<b>Good</b>	<b>8</b>	<i>Satisfies the requirement with minor additional benefits Above average demonstration by the Tenderer of how they will meet this requirement by their allocation of skills and understanding, resources and quality measures. Response identifies factors that demonstrate added value, with evidence to support the response.</i>
	<b>7</b>	
<b>Acceptable</b>	<b>6</b>	<i>Satisfies the requirement. Demonstration by the Tenderer of how they will meet this requirement by their allocation of skills and understanding, resources and quality measures, with evidence to support the response.</i>
	<b>5</b>	
<b>Minor Reservations</b>	<b>4</b>	<i>Satisfies the requirement with minor reservations Some minor reservations regarding how the Tenderer will meet this requirement by their allocation of skills and understanding, resources and quality measures, with limited evidence to support the response.</i>
	<b>3</b>	
<b>Serious Reservations</b>	<b>2</b>	<i>Satisfies the requirement with major reservations. Considerable reservations regarding how the Tenderer will meet this requirement by their allocation of skills and understanding, resources and quality measures, with little or no evidence to support the response.</i>

	<b>1</b>	
<b>Unacceptable</b>	<b>0</b>	<i>Does not meet the requirement Does not comply and/or insufficient information provided to demonstrate how the Tenderer will meet this requirement by their allocation of skills and understanding, resources and quality measures, with little or no evidence to support the response.</i>

*Note: odd numbers indicates an answer's allocated score lies between definitions.*

The points allocate for the response to each sub question will be weighted in line with the maximum points available for that sub question and the score that it is given.

If a question has a maximum points allocation of 8 and the response is awarded a score of 5 out of 10 then the weighted points for that response will be  $8 \times 5/10 = 4$  points.

The tender receiving the highest number of overall points for quality will receive the full 30% (300 marks) available for quality. Other tenders will receive a % of the maximum marks that reflects the difference in the points between those tenders and the tender receiving the highest points for quality overall.

<b>Tender</b>	<b>Quality Evaluation Points</b>	<b>Marks awarded</b>
A	275	$275 / 285 \times 300 = 289$ marks awarded
B	285	Highest quality tender = 300 marks awarded.
C	230	$230 / 285 \times 300 = 242$ points awarded

### **Price Evaluation Marking Scheme**

The most competitively priced tender will receive the full 70% (700 marks) available for price. Less competitive tenders will receive a % of the maximum mark that represents the difference in cost between that tender and the most competitively priced tender. This is demonstrated in the below worked example:

The evaluation "tender price" will be deemed to be the sum of the following:

- Price per head given for 1. multiplied by 2,080 plus
- Price per head given for 2. multiplied by 4,190 plus
- Price per head given for 3. multiplied by 690 plus
- Price per head given for 4. multiplied by 960 plus
- Price per head given for 5. multiplied by 185 plus
- Price per head given for 6. multiplied by 35 plus
- Price per head given for 7. multiplied by 225 plus
- Price per head given for 8. multiplied by 375 plus
- Price per head given for 9. multiplied by 1,600 plus
- Price per hour given for 10. multiplied by 200

<b>Tender</b>	<b>Evaluation Tender Price</b>	<b>Marks awarded</b>
A	£260,000	$£250,000 / £260,000 \times 700 = 673$ marks awarded
B	£250,000	Lowest realistic bid = 700 marks awarded.
C	£270,000	$£250,000 / £270,000 \times 700 = 648$ marks awarded
